

## CHEFS

We are currently recruiting for experienced chefs to join the team at the Billy Kwong Potts Point.

Our talented team is lead by Kylie Kwong, a passionate campaigner for sustainable food and ethical eating. Her style of cooking celebrates locally grown, organic and biodynamic produce, with a major focus on Australian native bush foods.

### Desired skills and experience:

- A trained chef with a deep knowledge of and passion for Asian Cuisine, its dishes and their preparation.
- At least 3 years experience working in a busy kitchen environment.
- The ability to remain in control, calm and consistent under intense pressure.
- The ability to work well in a team.
- Exceptional attention to detail.
- Ability to speak Cantonese is a bonus but not essential.
