*Spirit Of Lakeside* on Wednesdays at  
2:30 PM. All are welcome!

Dear Friends,

Happy Father's Day! June is a good time to consider our relationship with our spiritual Father and our earthly father. And to open up to our infinite possibilities.

*I have said, Ye are gods; and all of you are children of the most High. - Psalm 82:6*

We are children of the most High, beings of unlimited potential. Though we were born with a sense of unlimited potential, most of us lost it by about third grade. Now that we understand ourselves to be spiritual beings, we are growing into true understanding, and developing our abilities.

Let us waste no time regretting lost chances. After all, we have done our easy best every day of our lives. Instead, we simply reclaim our Divine heritage of infinite possibilities.

We meditate, become aware of our thoughts, and accept where we are. Next we choose - and fully accept - the Divine Plan God has for us.

Let us give thanks for where we are now, and say, "Here I Am, Lord! What have You got for me today?" And then truly accept this unknown good, giving thanks in advance.

*For it is God which worketh in you both to will and to do of his good pleasure. - Philippians 2:13*

Darlene Harris will become a licensed Teacher/ Counselor this month. When you read her autobiography, you can see her expansion in spiritual understanding through many life experiences. Think about your own path - you'll be surprised how often the indwelling Christ Consciousness has quietly spoken in your soul and moved you forward.

Thank You, Christ Consciousness, for our ever increasing ability to accept Your Love and cooperate with Divine Law.

Lovingly,  
In God's Service

Jennifer

## ***Temple Prayer***

*A new commandment I give unto you, That ye love one another: as I have loved you, that ye also love one another.  
By this shall all men know that ye are my disciples, if ye have love one to another. - John 13:34*

Thank You for Your omnipresent Love. We see Divine Love manifest all around us, day in and day out. This month we find examples of Your Love manifested and expressed in the bright smiles of newlyweds, the family pride as young people graduate, and during Father's Day celebrations.

Let us fill our consciousness with Christ Love and let it radiate into our world as we interact with one another. As our Elder Brother, Jesus Christ said, "I and my Father are one." Help us to understand that through Your Divine Presence within, our own I Am, we too are one with You. We remember we are all created in Your image and likeness. That being so, we are all One.

As we live centered in the knowledge of Your unconditional Love for us, and express love to one another, we will cease judging others and ourselves. We will find our lives are filled with more peace, health, harmony, and joy.

And then, according to Your Divine Law, Divine Love, Peace, harmony and joy will move from center to circumference, from individual to individual, state to state, nation to nation, until it fills our entire world.

Amen

*As the father hath loved me, so have I loved you; continue ye in my love.*

*These things have I spoken unto you that my joy might remain in you and that your joy might be full. - John 15:9,11*
