

# PLAYERS

VOLUME 17 NUMBER 2

JULY 1990

**Ivo Perelman's *Ivo* (K2B2)** marks the debut of a Sao Paulo sax player, recorded in the U. S. with some stellar American fusion players. It's not what you might expect, often sounding more like prickly Manhattan loft jazz than the soft Brazilliance we're used to, but it's fresher and more challenging than much of the genre.
