

# PARKING & ENTRANCE MAP

## The Movement Project

21547 Lorain Road, Fairview Park, Ohio 44126

### 1. PARKING

Free parking is available in the Giant Eagle parking lot. The green lines on the parking map indicate those dedicated areas. *(Please note that the parking lot located behind our building is for TMP staff only.)*

### 2. WALKING DIRECTIONS TO TMP STUDIO

**OPTION 1:**  If you park further back near Hope Yoga, the easiest way to walk to TMP would be to follow the red arrows on the parking map. This will take you on a paved sidewalk to Lorain Road, where you will take a right and pass in front of TMP's building (Blue Building). On the left side of our building is an alley way. Walk down the alley. Our door is the 2nd door (our sign is posted on the door).

**OPTION 2:**  If you park closer to Lorain Road, to start you can follow the yellow arrows in parking map and then switch to the red to bring you to the rear of the building through the alley way.

### 3. ENTRANCE (LOCATED BEHIND BUILDING)

Please enter TMP's facility using our door located behind the building, the orange star on the map. *(The front door entrance is to only be used for student drop off for our evening school of dance youth students. Thank you for understanding.)*
