WHAT NOT TO WEAR

A MAKE OVER RETREAT FOR YOUR SPIRIT

Do you have clothes in your closet you haven't worn in years, but just can't let go? Do you have outfits that make you feel spectacular and others that make you feel dumpy? It's the same way with life. The attitude you choose to "wear" every day will affect how you feel, how you interact with others, and how well your day goes. We are going to get busy and clean some closets together with the goal of fully engaging in and appreciating every day.

We hope you'll join us for this wonderful women's weekend that we promise will be incredibly fun and uplifting for your spirit!
