Dear President, dear William,

Congratulations

On behalf of the Union Cycliste Internationale, I wanted to extend our congratulations to Cycling South Africa after Ernst van Dyk, Justine Asher and Ashleigh Moolman-Pasio received awards at the 2014 South African Sports Awards on Sunday evening.

I was delighted to hear that Ernst van Dyk was awarded Sportsman of the Year with Disability, while Justine Asher claimed Sportswoman of the Year with a Disability and Ashleigh Moolman-Pasio won the Sportswoman of the Year award.

Former World Champion Ernest van Dyk is one of the world's top Para-athletes, Justine Asher has made incredible progress during her short time in the sport and Ashleigh Moolman-Pasio has made impressive strides in her cycling career and did her national proud in winning the bronze medal at the 2014 Commonwealth Games.

These awards are fitting recognition for their tremendous achievements during the 2014 season and I would be grateful if you could pass on my congratulations to each of these riders.

These awards are also a tribute to the strength and hard work of Cycling South Africa, particularly in regards to Para-cycling. As President of the National Federation you have right to feel very proud.

May I take this opportunity to wish you and you Federation colleagues, along with CAC President Dr. Azzam, all the very best in your preparations for hosting the 2015 African Track & Road Continental Championships. I am sure that this will be a wonderful event and a great advert for cycling in the African continent.

With very warm regards,
