Dear Walla Walla Valley Adventist School Graduates,

We are very proud of you and all of your accomplishments! You have had to endure so much that no one else has ever had to deal with ... working towards finishing a school year while a pandemic is going on.

As you continue on with your education we want you to remember that you are not alone in this journey. Not only do you have your family and teachers, but you have your Heavenly Father who will never leave your side.

Pandemic or not He is there for you through EVERYTHING! Cling to Him and He will carry you through! Remember Romans 12:12.

“Rejoice in confident hope. Be patient in trouble, and keep on praying.”

— Erik Borges, Principal, Walla Walla Valley Academy
