Dear Friend of Water for South Sudan:

Thank you for requesting a visit or video call with our organization. While we make every effort to accommodate requests, we are a small organization, and may not be able to fulfill each request.

Personal visits are generally for organizations in the greater Rochester, New York, area. Video calls are available for groups outside of this area. Video calls are generally 20 minutes in length which includes a brief presentation with a slideshow followed by a question and answer session. In-person visits run approximately 40 minutes, which includes time for questions.

Please be advised that Salva Dut now lives full-time in Africa and returns to the United States just once or twice per year. We regret that Salva is unable to make individual visits. If you are associated with a school, please consider joining our Iron Giraffe Challenge. Participating schools that raise a minimum of $1,000 are entered into a prize drawing for a chance to win a visit or video call from Salva!

There is a wealth of information and videos on our website including updates from South Sudan, forms for the Iron Giraffe Challenge, and resources for educators. Additionally, you can access a copy of the documentary Just Add Water, about Salva and WFSS, via our website at www.waterforsouthsudan.org/just-add-water.

To assist in our planning, please complete the following request form and return it to cheri.crist@waterforsouthsudan.org, or fax to our office at 585-383-0970.

Thank you for your support of Water for South Sudan!

Sincerely,

Cheri Crist
Donor Relations and Data Coordinator
