The 2020-2021 Iron Giraffe Challenge calls on schools to each raise a minimum of $1,000 as an entry into a prize drawing for a chance to win a visit with Salva Dut. Schools that raise $1,000 or more will be entered into the drawing to win one of several incredible prizes:

**Prizes Awarded:**

- **First Prize:** A visit to your school from Salva Dut
- **Second Prize:** A 20-minute video call with Salva Dut (3 prizes awarded)
- **Third Prize:** A 20-minute video call with Linda Sue Park (3 prizes awarded)
- **Fourth Prize:** A 20-minute video call with Ater “Lion” Thiep and Ajang “Aj” Agok, leadership in South Sudan for WFSS (3 prizes awarded)
- **Super School Award:** A video call with Salva for the school that raises the most funds between June 1, 2020, and April 2, 2021

**Important Dates:**

- **February 26, 2021:** IGC registration form due
- **April 2, 2021:** Final day to submit donations
- **April 9, 2021:** Prize drawing

**Additional Recognition:**

- Each school that raises funds will receive an Iron Giraffe Challenge poster.
- Participating schools will be listed on the WFSS website.

**Additional Information:**

- Only schools that requested their funds to be rolled over due to COVID-19 can use IGC 2019-20 funds towards their 2020-21 goal.
- Schools cannot carry over funds to future years.
- All funds raised for the Iron Giraffe Challenge may be applied towards well sponsorship efforts.
- Due to our small staff, if donating by check, we strongly encourage schools to collect individual donation checks and send WFSS one check.
- Schools are encouraged to send donations with postal tracking in order to ensure receipt by our office. Water for South Sudan is not responsible for donations sent but not received.
- Visits and video calls are subject to availability. We will make every effort to provide a video call if an in-person visit is not possible. Each school will be eligible for only one visit or video call with Salva during the 2020-21 Iron Giraffe Challenge.
- If your school is selected as the winning school for a visit from Salva, lead educators should be prepared to help plan and execute the visit with minimal support from the small WFSS staff. Aside from the visit to your school, the winners can also take on additional responsibilities, including event planning, accommodations for WFSS staff (as able), and other coordination assistance.
- Calls and visits must be scheduled within the calendar year, and WFSS reserves the right to schedule into the following school year if necessary.
