

5 YEAR STRATEGIC PLAN 2013-2017

A Successful and Sustainable School

Building Sustainable Partnerships

- Strengthen links with parent-caregivers and service providers
- Build professional learning teams
- Engage students and families in school decision making

Curriculum Coherence

- Strengthen existing pathways and transitions
- Develop a whole-school agreement on student centred pedagogy
- Review and implement new curriculum informed by the Australian Curriculum

Imbedding Sustainable Improvement

- Link teacher improvement with performance & development processes
- Maximise student engagement, learning and wellbeing
- Respond to meaningful data sets
