LET US THINK OF EDUCATION

as the means of developing our greatest abilities, because in each of us there is a private hope and dream which, fulfilled, can be translated into benefit for everyone and greater strength for our nation.

- John F. Kennedy (1917-1963) Thirty-fifth President of the USA

WHO WE ARE

Cornerstone Academy is a private Christian high school that aims to meet the educational needs of youth and reduce the high school dropout rate by giving students a second chance at educational success. The program offers a personalized education, a moral code, and tools for self-sufficiency.

IMPACT OF SPONSORSHIP

Traditionally, 20% of our school costs are covered by the students’ tuition. The 80% balance of the school’s expenses are covered by the donations of generous foundations, churches, corporations, and individuals.

Here is what a donation could be covering:

* $250 - This is the cost of taking the “winners” of our reading and math End-of-the-Year Challenge out to Portillo’s for lunch.

* $500 - This is the annual cost of the Pearson Press MathXL Program, an on-line math program for the school.

* $1,000 - This is the annual cost of the Pearson Press MathXL program, an on-line math supplement that gives quick feedback to students as they work problems.

* $3,000 - This is the annual value of the work done by one of our Work Study students, who works as a volunteer every Wednesday from 9:00pm to 3:00pm at a not-for-profit, gaining workforce skills.
