Sponsorship Opportunities 2022

For over 50 years, LSS-SW has stabilized individuals and families during times of crisis and transition, built foundations for people to thrive, and preserved dignity and respect for our most vulnerable neighbors. Our core services include:

**Aging & Disability Services** preserves dignity for older adults and people with disabilities in southern Arizona with in-home care and Meals on Wheels.

**Children & Family Services** builds strong families to help children grow in safe and loving homes through a range of services including family resource centers and foster care.

**Emergency Services** stabilizes lives in crisis by relieving hunger and homelessness for neighbors facing extreme poverty in Maricopa County.

**Refugee & Immigration Services** builds self-reliant foundations for the world’s most vulnerable neighbors fleeing war, violence, and persecution.

Your Support Is Important – Especially Now

This work is a community effort! Once a year, LSS-SW hosts our Building Foundations Luncheon, where hundreds of caring individuals unite to show support for serving the most vulnerable among us.

By sponsoring the costs of our Building Foundations Luncheon, you can ensure that every dollar raised at the Luncheon goes directly to support our programs and services.
