CHARTER BOATS NEEDED FOR NATIONALS

We are starting to get a number of enquiries from people looking to sail in the Adelaide Laser Nationals 2017 at Adelaide Sailing Club.

We know there are a number of Lasers out there gathering dust and could do with a good sail!

Ideally we would like you to pull it out, wipe of the dust and cobwebs and sail it yourself in the Nationals – the upcoming Clinic will help you to remember how to sail it and we will probably have another one in November.

BUT

If you are not going to sail the Nationals or know someone who has a Laser that they are not going to sail in the Nationals, why not consider chartering it out to someone who wants to sail the Nationals but needs a boat. We will arrange for each charterer to have their own insurance for your boat for the Event.

I would like to establish a Register of possible charter boats. If you would like to make your laser available for charter, could you please complete the details below and email it back to me on david@LDHW.com.au or simply email me the details. Will need to be available at ASC, on a good dolly and with rigs and foils (Charterer may have own sail):

Boat owner's name:

Phone number: Email:

Boat registration/sail number:

Rig(s) available: 4.7 / Radial / Standard (delete those no applicable)

Equipment: Complete / sails available / missing:
 (delete those not applicable)

Condition: Excellent / good / old / damaged:
 (details, delete those not applicable)
