EX-DOMAINE SELECTION

Due to the restaurant's relationship with these two legendary Domaines, we are able to offer the following wines directly from the Domaine cellars. The sourcing, selection and pricing are unique in Hong Kong.

DOMAINE PRIEURE-ROCH

Owner of the Domaine which bears his name, Henry-Frédéric Roch embarked on his great wine adventure when he was twenty-six. This was in 1988, when the young man took the path which led to "biological" cultivation by personal conviction, the reasoned yield of which is a token of vitality for the pinot noir grape and of excellence for the wine. This ambition is also present in the ageing cellar, where the skills of man are applied to "leaving nature to get on with it". Inspired by his grandfather, Henry Leroy, one of the most highly esteemed figures in Burgundy, Henry-Frédéric Roch has blended tradition with modernity right from the start and given life to some supremely authentic wines.

DOMAINE DE LA ROMANÉE-CONTI

DOMAINE DE LA ROMANÉE-CONTI

Domaine de la Romanée-Conti needs little introduction as the most storied Burgundy Domaine. Currently managed by Aubert de Villaine and Henri-Frédéric Roch - of Prieure Roch. Its eight Grand Crus Vineyards are Montrachet, Corton, Échézeaux, Grands-Échézeaux, Richebourg, Romanée St. Vivant, La Tâche, and Romanée-Conti itself: the latter two being monopoles. The average age of the vines is 44 years. The vineyards are cultivated organically, with the use of horses to avoid the compacting of the soil. Yields are extremely low.
