

2016

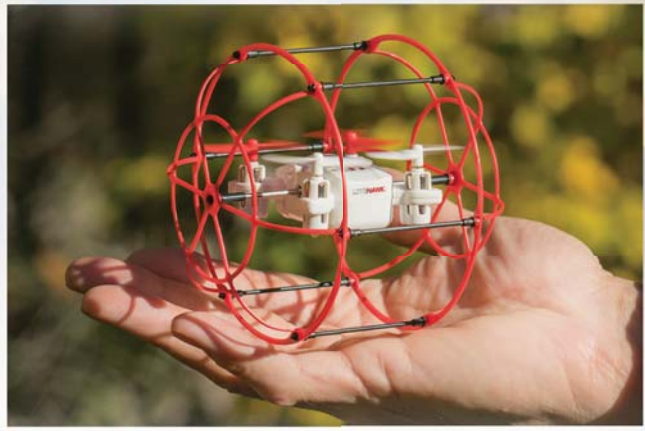

Welcome to the World of

LITEHAWK[®]

Welcome
to the World of
LITEHAWK®

We love a challenge.

That's why in 2009 we took on a massive one - the already crowded micro helicopter industry. We knew it would be an uphill struggle to make LiteHawk stand out. We brought leading edge technology, design and retail partners together, to formulate an industry leading product - our very first LiteHawk helicopters. In 2010 our micro helicopters took the Canadian toy market by storm. People appreciate a well built product!

Here we are 6 years later and everything has advanced from those humble beginnings! Our desire to bring you outstanding products at an affordable price remains our core commitment. We continue to develop leading edge technologies so that you always have the latest and the greatest!

2016 is going to be an exciting year! Join us as we take to the skies in our most advanced product yet - FOCUS! This amazing little drone not only features what everyone is asking for - HD Video with digital stabilization, we take it a few steps further. We give you an ergonomic user interface that is built right into the controller so everything is at your fingertips. Not only can you livestream from FOCUS to see where you are, you can see what you are taking video of! Adjustable flight modes, stunts....it's all here. And we mean all - everything is included - SD Card, USB reader, rechargeable batteries and chargers too!

CHAMPION arrives to make some waves this Summer! This large size F1 style racing boat is sure to impress with a well designed hull that allows exceptional performance!

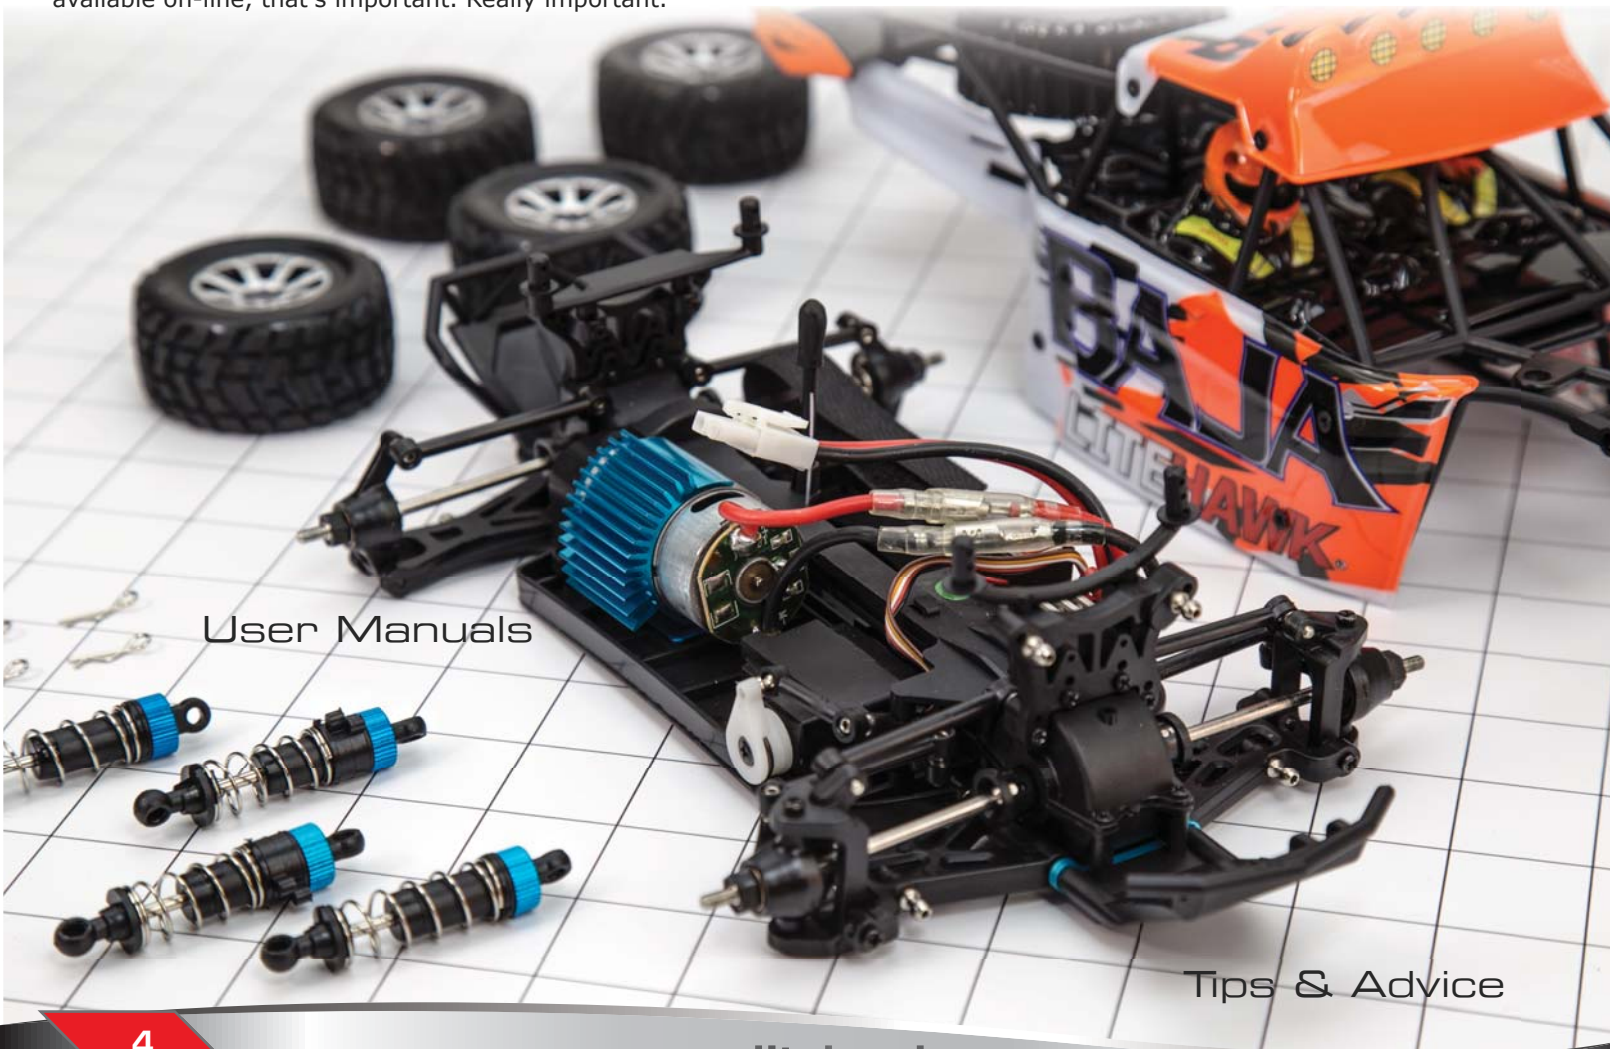

CRUSHER MT hits the ground running with a powerful midmounted motor, bearings, metal axles and driveshafts.....it looks the part too!

And this is just the beginning!

Welcome to the World of LiteHawk.

Parts & Technical

Bringing consumers a great toy is only part of our success - product support, is the other part. It's frustrating to buy a new toy and when something goes wrong, you're left out in the cold - who do you call? Is there help? We strongly believe that all LiteHawks are not throw away toys. We developed Industry leading Parts and Technical support that are both in-house and also available on-line, that's important. Really important.

User Manuals

Tips & Advice

MULTI-ROTOR

Get ready for an aerial adventure!

Powerful motors combined with sturdy structure and advanced electronics provide the perfect platform to fly! We have a complete range from learner to pro - experience life high in the sky!

- Case Pack:
2pcs
- Box Dimensions:
L16.75"W3"xH9.25"

- 285-31411
- Ages 10+
- 4 Channel 2.4 Ghz system
- HD video
- Ergonomic all-in-one FPV controller with built in screen
- SD card and USB reader included
- Digital stabilization
- Wide angle fisheye lens
- Bright LED lights
- All batteries and USB chargers included.

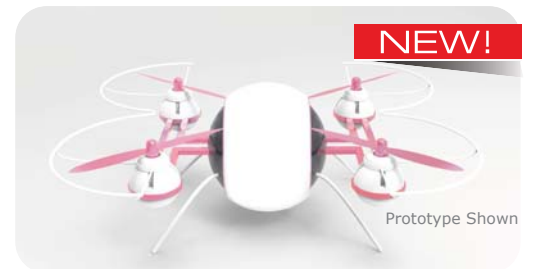

FPV FOCUS

16cm (6.3")

- Case Pack:
6pcs
- Box Dimensions:
L7"xW3.2"xH11.75"

- 285-31412
- Ages 10+
- 4 Channel 2.4 Ghz system
- Built in video camera so you can capture it all!
- Micro SD card and USB reader included!
- HD video
- Digital 3 axis stabilization
- Bright LED lights
- USB charger included.

QUATTRO LENS

11.5cm (4.5")

- Case Pack:
12pcs
- Box Dimensions:
L5"xW2.5"xH8"

- 285-31413
- Ages 10+
- 4 Channel 2.4 Ghz system
- Capture video and photos
- Micro SD card and USB reader included
- Adjustable flight modes
- 16 bit audio .avi format
- Micro size!
- Bright LED lights
- USB charger included.

QUATTRO CLICK

3.2cm (1.2")

- Case Pack:
6pcs
- Box Dimensions:
L7"xW3.2"xH11.75"

- 285-31409
- Ages 10+
- 4 Channel 2.4 Ghz system
- Capture in flight video and photos
- Micro SD card and USB reader included
- 30 fps broadcast standard
- 16 bit audio .avi format
- Adjustable flight modes
- Bright LED lights
- USB charger included.

QUATTRO SNAP

15.2cm (6")

HIGH ROLLER

22.5cm (8.8")

- 285-31404
- Ages 10+
- 4 Channel 2.4 Ghz system
- Fly indoors or out
- Digital 3 axis stabilization
- Includes on board battery
- Bright forward facing LED Lights
- USB charger included.

- Case Pack: 4pcs
- Box Dimensions: L10.25"xW9"xH11.75"

0 59373 31404 7

QUATTRO NEON

22.5cm (8.8")

- 285-31408
- Ages 10+
- 4 Channel 2.4 Ghz system
- Auto Pilot feature
- Fly indoors or out
- Digital 3 axis stabilization
- Includes on board battery
- Bright LED lights
- USB charger included.

- Case Pack: 6pcs
- Box Dimensions: L7"xW3.2"xH11.75"

0 59373 31408 5

HIGH ROLLER MINI

10cm (3.9")

- 285-31406
- Ages 10+
- 4 Channel 2.4 Ghz system
- Auto Pilot feature
- Fly indoors or out
- Digital 3 axis stabilization
- Includes on board battery
- Bright LED Lights
- USB charger included.

- Case Pack: 12pcs
- Box Dimensions: L6.5"xW4.75"xH7.25"

0 59373 31406 1

QUATTRO RADICAL

7cm (2.5")

- 285-31410
- Ages 10+
- 4 Channel 2.4 Ghz system
- Fly indoors or out
- Digital 3 axis stabilization
- Includes On Board battery
- Bright LED lights
- USB charger included.

- Case Pack: 12pcs
- Box Dimensions: L7.25"xW2.75"xH8.25"

GARAGE

Radio Controlled ground vehicles are the mainstay of the RC World.

Fully developed and rigorously tested - delivering independent suspension, long travel shocks and a low center of gravity. This gives you outstanding control across all types of terrain.

- Case Pack:
2pcs

- Box Dimensions:
L17"xW12"xH9"

- 285-42008
- Age 14+
- 40 km/h (25 MPH)
- 2.4 Ghz fully digital control
- Polycarbonate body shell
- Metal driveshafts and metal axles
- Real steel ball bearings for less rolling resistance
- Includes charger and battery.
- Available in red or blue

- Case Pack:
2pcs

- Box Dimensions:
L23.75"xW9.75"xH9.5"

- 285-42005
- Age 14+
- 35 km/h (22 MPH)
- 2.4 Ghz fully digital control
- Polycarbonate body shell
- Driver and navigator figures
- Includes wall mount charger and battery.
- RWD
- Available in red or yellow

- Case Pack:
2pcs

- Box Dimensions:
L18"xW9"xH7.5"

- 285-42001
- Age 14+
- 35 km/h (22 MPH)
- 2.4 Ghz fully digital control
- Polycarbonate body shell
- Includes Wall Mount Charger and Battery.
- 100% factory assembled
- Working suspension
- RWD
- Available in blue or red

- Case Pack:
4pcs

- Box Dimensions:
L18"xW11"xH8"

- 285-48004
- Age 14+
- 50 km/h (35 MPH)
- 2.4 Ghz fully digital control
- Polycarbonate body shell
- Includes wall mount charger and battery.
- 100% factory assembled
- Oil Filled Shocks
- Shaft driven 4WD
- Available in orange or red

Designed For You

CHAMP

44.4cm (17.5")

- 285-20002
- Age 14+
- 30 km/h (18 MPH)
- Scale turning outboard motor
- Water cooled motor and electronics!
- Includes wall mount charger and battery.
- Available in red or blue

- Case Pack: 4pcs
- Box Dimensions: L18.5"xW8.25"xH9.25"

CHASE

22.5cm (8.9")

- 285-20003
- Age 14+
- 20 km/h (12 MPH)
- Hatch is fitted with a water resistant gasket
- Includes charger and 6V 260mAh NiMH battery
- Water cooled motor & electronics
- Boat stand included
- Available in Blue or Red

- Case Pack: 6pcs
- Box Dimensions: L11.5"xW3.25"xH10.75"

AIRPORT

Take to the sky with a Sea Plane!

SWIFT offers you full R/C flight functions with a unique style. GLIDER is an advanced V-Tail design that uses simple hand launch. Both are durable thanks to EPO foam!

SWIFT

53.8cm (32.1")

- 285-12002
- Age 14+
- Crash-resistant EPO structure
- Flying weight: 145g (5.11 oz)
- 2.4GHz 4CH digital proportional control with 70% / 100% dual rate function
- 2 Flying modes
- Take off and land on snow, water or grass
- Battery and charger included

- Case Pack: 2pcs
- Box Dimensions: L25.5"xW6.25"xH11.5"

GLIDER

47cm (18.5")

- 285-12004
- Age 6+
- Glides 80ft plus
- Sticker sheet included
- No glue or tape required
- Wingspan: 48.5cm (19.09")
- Material: EPO flexible foam

- Case Pack: 12pcs
- Box Dimensions: L19.5"xW3"xH4.25"

Our LiteHawk JR. series is the ideal place to start! Each product is designed for children 6 years and up as an introduction to Radio Control with safety as our top priority. Whether they are experiencing the exciting world of RC or the joys of free flight airplanes for the first time, LiteHawk JR. will delight.

- Case Pack: 6pcs
- Box Dimensions: L14.5"xW8"xH7.25"

- 285-40001
- Age 6+
- Sticker Sheet included for kids to uniquely decorate their truck!
- 2.4 GHz Radio technology
- Operating range over 150ft
- Includes re-chargeable battery and wall plug charger
- Available in Blue or Black

SPIKE

19cm (7.55")

- Case Pack: 12pcs
- Box Dimensions: L9.5"xW2"xH5"

- 285-12007
- Age 6+
- Glides 23m / 75ft plus
- Durable foam structure
- No glue or tape required
- Reinforced nose section
- Adjustable flight panels
- Hand launcher included

CATAPULT PLANE

22cm (8.75")

- Case Pack: 12pcs
- Box Dimensions: L9"xW2.25"xH7.25"

- 285-12008
- Age 6+
- Glides 23m / 75ft plus
- Durable foam structure
- No glue or tape required
- Reinforced nose section
- Adjustable flight panels
- Hand launcher included

CATAPULT WINGSUIT

21.5cm (8.5")

- Case Pack: 12pcs
- Box Dimensions: L9.5"xW3.25"xH8.5"

- 285-12009
- Age 6+
- Flights to 150m / 500ft plus
- Engine and electronics built-in!
- Durable foam structure
- No glue or tape required
- Reinforced nose section
- Adjustable flight panels
- Flash charger included

POWER PLANE

21.5cm (8.5")

- Case Pack: 12pcs
- Box Dimensions: L9.5"xW3.25"xH8.5"

- 285-12010
- Age 6+
- Flights to 150m / 500ft plus
- Engine and electronics built-in!
- Durable foam structure
- No glue or tape required
- Reinforced nose section
- Adjustable flight panels
- Flash charger included

POWER WINGSUIT

19cm (7.55")

There's nothing worse than buying a new toy, having a question, or needing a replacement part, and then being left out in the cold. No worries! We pride ourselves on the very best customer service!

We have all the replacement components you'll ever need to keep your new LiteHawk in tip top shape! Like we always say, "accidents happen, even to the best of us"...with that in mind www.litehawk.ca is available 24 hours a day, 7 days a week! Comprehensive Overview videos are available for all of our products. Our technical personnel are just a phone call away! Monday to Friday 8:30am to 4:00pm EST. 1-800-268-5797 toll free in North America! We have complete technical videos for our products - and they include tips and tricks too!

Guarantee

All LiteHawk products have been tested and designed to perform as claimed out of the box. If you have an issue with a product or part of a product please contact us directly. We cover claims towards manufacturing defects. We know that there is nothing worse than having a question or needing a replacement part and having nowhere to go. LiteHawk is not responsible for covering the costs of replacement parts or repair on products that have been damaged due to product use.

Trust us, this is no ordinary forum! Staffed by a full team of LiteHawk Moderators whose backgrounds range from Engineering, Component Design, Forum Management, R/C Build and Development....professionally, you are in good hands. We cover everything under the LiteHawk sun! Do-It-Yourself Guides, common questions, Tips and Tricks, User Custom Mods...that's just the beginning, really!

It all has to do with community and we want you to see for yourself! With over one million views to date, we're doing something right! Oh, Contests. We love to give away stuff, everything that we make is up for grabs. Contests are run at least once per month, so it's a great way to meet everyone and have some fun too!

See all of our Litehawk products in action! Everything from videos that show LiteHawks in their natural environments - flying, off-roading, sailing, power boating....to helpful In-Depth technical information too! It's all just a mouse click away!

Get the inside scoop - by joining LiteHawk INSIDER e-bulletin! Keep up to speed with our newest product releases - we have some great stuff just around the corner! Ever missed a Forum contest, simply because it happened so fast? Heck, it was over before you even got to the party! LiteHawk will never, ever share your email address - it's private and we respect that.
