

# C H I N E S E N E W Y E A R

CELEBRATING THE NEW YEAR  
COLOURS OF RED & GOLD

“As the luckiest colours to the Chinese culture, red & gold are believed to attract prosperity and good luck. They are therefore found in just about every element of the celebrations including in food and drink. Symbolically, orange fruit is used during Chinese New Year as the word for orange is the same as the word for gold.”
