1' x 1'	Strawberry (three plants) – P
1' x 1'	Swiss Chard – P, S
6" x row	Turnip (4" apart) – S

Key:

B = Bulb S = Seed R = Root
P = Plant T = Tuber

Note: March & April are crossover months where just about anything on this list can be planted.

Never plant a seed deeper than twice its width. (Ex: A seed is ¼ inch wide, don't plant it more than ½ inch deep.)

Keep seeds moist, not wet.
