

God is sad the world is full of evil. So he decides to flood it and start over again. He chooses Noah to build an ark and save his family, plus animals and birds. After a long time on the ark, Noah and his family step into a fresh start in the world. God gives us do-overs.

### Church Announcements

- Make sure that you are using our awesome Kid Check system when you bring your kiddos in to Children's Worship! It helps teachers know your child's name and it helps us to keep a good record of the kids we get to serve each week!

### Family Together Time

Show your family God's do-overs with this affirming experience.

- For each person, cover a plain white index card with clear packing tape.
- Gather everyone together, and have paper towels handy.
- Everyone can use dry-erase markers to scribble or mark X's on a card to represent something they'd like a do-over for.
- Talk about what your scribbles or X's represent.
- After each person shares, someone else in the family can erase that person's card with a paper towel and say, "God gives you a do-over, and so do I."

### Talk About This...

- Tell about something you'd go back and do differently if you could.
