Acceptable Use Policy For:

MATCH CHARTER PUBLIC SCHOOL
THE CHARLES SPOSATO GRADUATE SCHOOL OF EDUCATION, INC.
THE MATCH FOUNDATION, INC.

1. Purpose and Acceptable Use
   a. Match Charter Public School (“Match School”), The Charles Sposato Graduate School of Education, Inc. (“Sposato”), and The Match Foundation, Inc. (collectively, “Match Education”) provides and maintains computer systems and network resources to support the delivery of education and the administration of Match Education’s operations. These include desktop workstations, laptops, handheld smart devices, applications, internal networks (both wired and wireless), servers, online databases, and access to outside networks, including the internet (collectively referred to herein as “computing systems”). This policy applies to all users of Match Education computing systems, including Match Education employees, volunteers, independent contractors, students and guests.
   b. Match Education permits its employees and volunteers to use the Match Education computing systems for incidental personal use as long as the computing systems are not used in a manner that violates this policy and such use is limited to times before or after work hours, during non-assigned teaching or duty time, and lunch periods.
   c. This policy describes acceptable and unacceptable uses of Match Education computing systems, but these descriptions are not exhaustive lists of all acceptable or unacceptable uses. Any user who has a question regarding whether or not a particular activity is acceptable should seek guidance from his or her supervisor (for staff), Principal or Executive Director (for Match School students) or the Dean (for Sposato students).

   a. **Staff.** New staff members will receive this policy via the Match Education Employee Handbook. With supervisor permission, Match Education staff members will have access to the following computing resources through their classrooms, offices, library media centers, and/or computer and mobile labs: e-mail including conferencing and collaboration tools, web hosting, online subscription databases and information services, Match Education servers for secure file storage, and all resources and tools found on the internet/world wide web. Computing resources at Match Education may change as technology develops. These changes will fall within the purview of this policy as well.
   b. **Students.** Students will have appropriate access to the internet and the Match Education networks through the schools’ computers to fulfill school related tasks. Students may only use Match computing systems for educational purposes. Students (and, for Match School students, their families) will receive this policy via the Student and Family Handbook or it will be separately distributed.
   c. **Other Users.** Guest accounts may be established. Temporary staff or independent contractors, for example (e.g., long term substitutes, service vendors, interns, student teachers, community education instructors, therapy specialists, volunteers), may have guest accounts. A guest’s access may be limited.

3. Disclaimer
a. Match Education makes no warranties of any kind, either express or implied, that services provided through its computing systems will be error-free or without defect. Match Education is not responsible for the accuracy or quality of the information obtained through its computing systems. Users of Match Education’s computing systems assume full responsibility for their use including, but not limited to, loss of data, interruptions of service, costs, liabilities, or damages.

4. Ownership/Privacy

a. Match Education computing systems are the property of Match Education. As such, a user’s activities and files are subject to inspection by certain staff members at any time. Match Education has the right to monitor and log the usage of any and all aspects of its computing systems, including, but not limited to, monitoring internet usage, file downloads, and all communications. Match Education actively maintains and updates its networks and computing environment by integrating appropriate controls in support of this policy. Tools used may include, but are not limited to: monitoring devices, content filtering, virus protection, log-on utilities, virtual networks, user access profiles, and security settings.

b. Users should not have an expectation of privacy regarding any use of Match Education computing systems. To be specific, any document, email or other communication that is created, accessed, stored, sent or received on Match Education computing systems, including communications on personal email accounts (Gmail, Yahoo, etc.) or on social media sites such as Facebook, Instagram and Twitter which are accessed using Match Education computing systems, are not private.

c. E-mail that is created or received by an employee of Match School is a matter of public record and may be subject to public production in accordance with Massachusetts public records laws.

5. Unacceptable Uses

a. Match Education computing systems may not be used for political advocacy.

b. Match Education computing systems may not be used for entertainment, illegal purposes (or support of illegal activities), or commercial purposes such as, but not limited to, offering, providing or purchasing goods and/or services for personal use or gain. In addition, Match Education computing systems cannot be used as a public access service or a public forum. As such, Match Education reserves the right to place reasonable restrictions on the materials users can access or post through the Match Education computing systems.

c. Users may not use Match Education computing systems to obtain or share information about staff, students or families for any non-school purpose.

d. Users are prohibited from copying copyrighted material without authorization from the copyright holder unless the copies are used for teaching (including multiple copies for classroom use), scholarship or research. If there is uncertainty as to the extent of copyright protection for internet materials, users must obtain permission to use material from the copyright holder.

e. Users shall not attempt to gain unauthorized access to files or accounts using Match Education computing systems.

f. Users shall not vandalize Match Education computing systems by, for example, causing physical damage, reconfiguring a computer operating system, attempting to degrade or disrupt Match Education computing systems, or destroying data by spreading computer viruses or by any other means. Anyone found to intentionally vandalize Match Education computing systems shall be subject
to disciplinary measures and shall be responsible for the costs associated with hardware, software,
equipment, materials, data recovery and/or system restoration.

g. Users shall not pretend to be someone else when sending or receiving electronic communications.

h. Use of another person’s password or account is strictly prohibited.

i. It is unacceptable to attempt to read, delete, copy, or modify the electronic communications of other
users or to interfere with other users’ ability to send or receive communications.

j. Users shall not access, send, or forward materials or communications that are defamatory,
Pornographic, obscene, sexually explicit, threatening, harassing, profane, or inflammatory.

k. Users shall not download or install any commercial software, shareware, freeware, or similar types of
materials on Match Education computing systems without prior approval and authorization from the
Director of Technology or his or her designee.

l. Users shall refrain from actions or language via email, instant messaging, or any other online mode of
communication that is discriminatory, or harassing or threatening to others and which may be in
violation of Match School’s Bullying Prevention Plan or the Match Education Harassment and
Discrimination Policy. Users shall refrain from swearing, using vulgarities or using any other
inappropriate language or images.

6. Employee Guidelines for Social Media Use

a. When Match Education employees post content on social media, regardless of whether Match
Education computing systems of personal computing systems are being used, the following guidelines
apply:

i. Employees may not post personal identifying information about current or former
students or other staff members.

ii. Employees may not post information that can be considered discriminatory, offensive,
obscene, threatening, harassing, intimidating, offensive, disruptive, or may constitute
bullying. Employees are personally and legally responsible for the information posted.

iii. Employees are strongly encouraged to manage their privacy settings to prevent public
viewing of any social media presence that they would not want students,
parent/guardians or colleagues to see.

iv. Employees may not communicate with Match School students using personal social
media accounts, including adding students as “friends” on social media networks such
as Facebook or Instagram.

v. Employees may not create a link from a personal blog, website, or other social media
site to Match Education’s website unless it is authorized by the employee’s supervisor.

vi. Use of the Match Education logo or letterhead on a blog, website, or other social media
site is strictly prohibited.

vii. An employee may not represent him/herself as a spokesperson for Match Education. If
an employee publishes a blog or post online related to his/her work at Match Education,
such employee must clearly state that s/he is not speaking on behalf of Match
Education. It is best to include a disclaimer such as “The postings on this site are my own and do not necessarily reflect the views of Match Education.”

viii. Employees should refrain from using social media during work hours either on Match Education computing systems or on personal devices, unless such use is work-related and authorized by the employee’s supervisor.

7. Internet Safety

a. Use of the internet has potential dangers. All users and parents of Match School students are encouraged to read information that the Massachusetts Office of the Attorney General has published on Cyber Crimes and Internet Safety which is found on the Commonwealth of Massachusetts government website www.mass.gov. Search “Attorney General” to find the website of the Office of the Attorney General, where you will find “Cyber Crimes and Internet Safety” under the “Public Safety” heading. Additionally, all students will participate in the Match School anti-bullying curriculum as set forth in the Match School Bullying Prevention Plan.

b. All users are granted individual accounts and agree to keep passwords secure. Users are responsible for their accounts, credentials, security codes, and passwords and will not share or allow others access to them. Users are responsible for keeping these secured and for reporting any suspected breach to their supervisor (for staff), Principal or Executive Director (for Match School students) or the Dean (for Sposato students).

c. Users will refrain from revealing private information (e.g., addresses, phone numbers) in any school-related electronic communications including communications via email, the internet, or other network tools. Specifically, all users should refrain from revealing personal or private information on any commercial or other internet media sharing site (e.g., Facebook; Myspace, Twitter, chat rooms), particularly if these are not school sponsored or hosted sites. Match Education computing systems should not be used to meet or arrange to meet unknown people.

d. When accessing the school’s resources and data from any systems (including when outside the Match Education networks), staff and volunteers will use due caution to protect the privacy and integrity of student data.

e. Match Education reserves the right to use filtering technologies to help control users’ access to inappropriate internet content and websites while using its networks.

f. Students may only use the internet for educational purposes. Personal use of social media websites (e.g. Facebook, MySpace, Twitter, etc.) and chat rooms is strictly prohibited.

g. Any Match School employee who wishes to implement the use of certain educational websites in his/her classroom must follow these procedures:

   a. The employee shall submit a request to the principal, and the principal will inform the staff member whether the educational use of a certain website in the classroom is permitted.

   b. Upon approval, the principal will inform the website coordinator at the school. The website coordinator of each school shall maintain a list of educational websites that are being used by students for educational purposes on its website, which shall be updated from time to time.
c. In the event that students must be registered for an account in order to use a particular website, staff members shall obscure student information to the extent practicable (i.e., first name, last initial; or initials, matcheducation, etc.).

8. Data and Control

a. Match Education has the right to re-image any computer as necessary.

b. Match Education is responsible for the provision, installation, maintenance, and licensing of all software deployed in its computing systems.

c. No personal data or files may be stored on a Match Education network or computer.

d. Match Education provides all users with network accounts and data storage. It is the users’ responsibility to ensure that all files and data are stored in their appropriate locations. Match Education conducts regularly scheduled backups to prevent against loss or corruption. However, Match Education cannot guarantee that all information can be recovered in the event of a catastrophic failure.

e. Responsibility for backing up any hand held or mobile device issued to a user falls upon the user. Match Education is not responsible for providing backups for these devices.

9. Hardware/Software

a. Any and all equipment issued by Match Education for use by any user must be treated with due care. All users are responsible for ensuring equipment is not damaged or stolen. Abuse, damage or improper use should be reported immediately to a user’s supervisor or the Director of Technology (for staff), Principal or Executive Director (for Match School students) or the Dean (for Sposato students).

b. Any and all issues or problems related to any hardware, software, system or network must be reported to the Director of Technology.

10. Violations

a. Access to Match Education’s computing systems is a privilege and not a right. Match Education reserves the right to deny, revoke, or suspend specific user privileges, and/or to take disciplinary action up to, and including, suspension, expulsion (for students), and dismissal (for staff and volunteers for violations of this policy.

b. Match Education will advise appropriate law enforcement agencies of any illegal activities conducted using Match Education’s computing systems. Match Education also will cooperate fully with local, state and/or federal officials in any investigation related to any illegal activities conducted through the Match Education computing systems.

c. Match Education prohibits retaliation against any staff member for reporting a possible violation of this policy or for cooperating in an investigation. Any staff member who retaliates against another user for reporting a possible violation of this policy or for cooperating in an investigation will be subject to disciplinary action, up to and including termination.
