Meeting Topic: Human Resources

It seems like every day the topic of hiring (and hiring good employees) comes up. Our industry is not alone. We have assembled a group of very talented HR professionals in surrounding industries to speak at this meeting on various HR topics addressing issues of: Hiring and Firing Trends (turnover), Working with the younger generation (millennials), internship and co-op experiences, and other various HR topics in a panel discussion. In conjunction with the Technical Sessions we will be holding our annual Educational Golf Fundraiser. Golf will be at Reems Creek, a picturesque course nestled in the Asheville Mountains. To cap this meeting off we have a tour of one of GE's Lighting facilities. It should be a unique experience. So please come out and join us for some education on an ever more important topic and to support our future VT Fire and scholarship fundraising efforts.

PLEASE PRE-REGISTER by September 13, 2017.
