NEWS

Church Roof

Thanks to everyone for the outstanding support in funding the new church roof. The total cost for the church roof and chimney was \$40,400. A loan of \$8,000 was required to pay the roof in full.

As donations continue to be received they are applied to the loan. **Currently the balance of the loan is \$571.58**. The quicker the loan is paid off the less interest we pay. We are almost there!
