frequently asked questions

our top 10 most common questions

do you have any coupons or free samples?

who doesn't love a little free method? the best way to receive the latest promotions and coupons from method is to sign up for our email newsletter. simply enter your email address on the bottom of any page on methodhome.com and you'll start getting some sweet deals.

where can I find the best selection of method?

there are a number of retailers who carry method, but the best places to find the most extensive collection of our line in the US are at Target, Home Depot, Lowes, and Kroger stores nationwide as well as online at methodhome.com.

is method safe to use around pets?

method is safe to use around pets and on surfaces with which your animal may come in contact. method is not dangerous if it comes in contact with pets' skin or fur but you should wipe excess amounts off the skin or fur with water. if swallowed by a pet, offer your animal a healthy serving of milk or water to dilute and call your veterinarian or the Animal Poison Control Center immediately. you can reach Animal Poison Control Center's 24-hour hotline at (888) 426-4435.

are method's products safe for septic tanks?

yes, all method products are safe for septic tanks, as all of the ingredients are readily biodegradable. method contains no phosphates, hydrocarbons or other septic-problem chemicals.

is method safe to use around children?

can I use method HE-compatible laundry detergent for my standard washer?

are method products safe on natural stone?

is method tested on animals?

still have a question? we have answers.
