# The Biggest Bachelor Wedding Ever!

Past Bachelorettes and Bachelors come together for their friends' special day

**T**hey didn't have to worry about handing out roses at this ceremony! On Aug. 4, former *Bachelor* and *Bachelorette* stars Emily Maynard, Jef Holm, Ashley Hebert, JP Rosenbaum, Ali Fedotowsky, Ben Flajnik, Courtney Robertson and DeAnna Pappas gathered in Malibu to help show producers Cassie Lambert and Peter Scalettar celebrate their "I do"s. "Best wedding ever!" Ashley raves about the afternoon event, which was planned by Jesi Haack Design and Leila Khalil of Be Inspired PR. Fittingly, show host Chris Harrison got ordained so he could marry the couple. But Ben shares that the best moment came later in the evening, when everyone took part in a sing-along. "It was former cast, producers and creators all belting it out," he recalls. "I felt like we were all family." **L & S**

**Are They Next?**  
Emily and Jef might steal some ideas for their own wedding. "Amazing time!" Jef gushes.

**Good Taste**  
Guests enjoyed custom grilled-cheese sandwiches from Contemporary Catering and sipped One Hope Wine. JL Designs did the flowers.

**Rev. Host**  
"Chris prepared the most touching ceremony," Cassie (in Erica Elizabeth hair accessories) tells *Life & Style*.
