

## SOLAACE-Memorial Educational Program

### Course Directors:

Dr Daniel Benhayon

Dr John Cogan

**June 12<sup>th</sup> to 16<sup>th</sup>**

This program represents a unique opportunity for electrophysiologists in Latin America to do an educational rotation for one week in the **Department of Electrophysiology at the Memorial Regional Hospital** in Miami, South Florida.

The program offers the opportunity to participate in our conferences and to observe the implantation of defibrillators, cardiac resynchronization therapy and complex ablation cases (Atrial Fibrillation ablation, PVC ablation or VT ablation).

### Program Objectives

- To expose the participants to different complex ablation techniques and implantable cardiac device techniques
- To build a foundation for future collaboration in electrophysiology across Latin America and the United States

### Curriculum

- Implantation of single/dual chamber defibrillator
- Implantation of a resynchronization device (Biventricular ICD).
- Complex ablation cases (Atrial Fibrillation ablation, Premature Ventricular Contraction ablation and/or Ventricular tachycardia ablation).
- Fluoroless Atrial Fibrillation Ablation Technique
- Cardiac Anatomy session
- Half a day on the EP Simulator

### Lectures

Atrial Fibrillation. An updated perspective

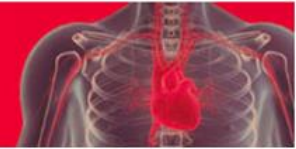

ICDs in Non Ischemics. What have we learned

Dinner Lecture

Daniel Benhayon

Daniel Benhayon

Invited Speaker (Dr. Vidal Essebag, Chief of EP at McGill University)

## Candidate Requirements

- Valid passport and visa (if required) for the United States
- Command of written and spoken English

## Scholarship (thanks to St Jude Medical – Latin America Division) will cover

- Airfare
- Lodging in North Miami for 5 nights.
- Transportation
- Certain meals during the course of the program

## Application Process

1. **Complete the registration form** located on the SOLAECE website (Sociedad Latinoamericana de Estimulación Cardíaca y Electrofisiología) [www.solaecefellows.com](http://www.solaecefellows.com)
2. **Subscribe to SOLAECE Fellows Facebook Page** (click "Like" on the Facebook page of SOLAECE Fellows)
3. Submit a recent copy of your **Curriculum Vitae (CV)** to [solaecefellows@gmail.com](mailto:solaecefellows@gmail.com)

**Applications open on April 4<sup>th</sup> and close on May 1st.**

**Scholarship Recipients Announcement: May 8th.**
