A **HUGE** thanks and congratulations to all who participated in the 2nd Annual Lowcountry Splash. The weather cooperated and we had 20% more participants than last year. We hope that you all enjoyed yourselves and would love to hear any comments you may have, positive or negative, for making improvements for next year's event.

You may have noticed that the course was a bit longer than last year (especially for the five milers!). The equipment used for measuring the course had greater accuracy and next year we hope to have the event certified.

Thank you once again to our sponsors, **Trophy Lakes, CareAlliance, Manhattan Bagel, Jr. Varsity Sports, and Orthopaedics Specialists of Charleston.** A special thank you to the RCC crew, Bill Schroder and Tom and Rene Moriarity for your part in maintaining course safety. We could not have done it without you.

We are currently working on getting the event scheduled for next year probably the first weekend in June (the 3rd or the 10th). Again congratulations to all that participated and especially to the age group winners in each of the four events. We'll see you next year.

Overall Winners

1/2 Mile - Christian Johnson	12:49
1 Mile - Megan Terebus	22:04
3 Mile - Banks Halbran	1:03:28
5 Mile - Malcolm Van Drempt	1:35:35

Special Thank You!

A special thank you to all the parents at CCST who helped with registration and with the timing system. We could not have asked for a smoother transition in each group. Thank you again for your helping in making the Splash a success.
