## Stop by for homecoming

### *The Schedule*

Stop by when you're in town for homecoming on Oct. 17. On Friday, we'll have a grill-out. Stop by the chapter house for brats and beverages. We usually start this around 4. On Saturday, our schedule varies based on the start time of the game against Oklahoma. If you can only stop by for a quick visit, please do. Bring your family. The active chapter always tailgates before the game. Look for the Phi Kap flag and join them.

## Help us redesign the rec room

### *The project*

The rec room has been the main gathering space of our chapter house for decades, which means it also gets the most wear and tear. As we hope you will see at our homecoming meeting, we have some plans drawn up to give this room a much-needed facelift. We would love your input and advice as we move forward with this. And if you would like your \$100 a year club funds to go directly to this project, please let us know.

### *Other projects*

As you will also see at Homecoming, the back deck needs replaced. We did this about 15 years ago, and it's time to do it again. We also will be repairing and replacing much of the shower plumbing upstairs and working on the plumbing elsewhere in the bathroom. This last project is particularly expensive. Please keep us on your donation list 2015. Send checks to the house at 1965 College Heights, or online at [ksuphikaps.com/alumni](http://ksuphikaps.com/alumni).
