GOOD NEIGHBOR CHRISTMAS: THE GIFT OF PRIDE FOR PARENTS

"*This past year has been a financial struggle for us,*" wrote Dan. Many of NETWorks' neighbors can relate to Dan. He has a growing family, and steady employment has been a challenge.

The Good Neighbor Christmas gift shop gives parents in Northlake-Embry Hills-Tucker an opportunity to provide Christmas gifts for their families while preserving their pride and dignity.

Believing families would prefer to provide for themselves if given the opportunity to do so, we sell new, donated toys at extremely affordable prices, instead of giving them away.

Last year Dan's family came to volunteer and shop on Friday and Saturday. They had such a good time that they came back Sunday just for fun. Dan was able to take care of Christmas and pick up a few things he wasn't expecting.

"The Christmas toy program not only provides quality toys at a much better price than we could find in a store. What surprised me the most was the happiness that pitching in and helping brought me. While this is a season of joy, it can also be a time of great stress, especially when money is tight. While volunteering, that stress seemed to melt away."

Sounds like a Merry Christmas!
