

The Good Neighbor Back to School Shop

is an opportunity for parents in Northlake-Embry Hills-Tucker to provide school supplies for their families at a reduced cost in a respectful manner. We collect new, donated supplies and sell them at deep discounts, instead of giving them away, believing that families prefer to provide for themselves. Proceeds from the event benefit next year's shopping budget, allowing us to grow the store's inventory.

Where: 2367 Main Street, Tucker
(First Baptist Church Gym)
When: July 29-30, 2017
