The **NO-COST** resources on this website are designed primarily for center-based Head Start programs, but many of the topics can also be useful to home visitors.

A sampling of topics helpful to home visitors – there are more . . .

- **Let's Talk About Following the Baby** – A podcast that highlights the importance of communicating with infants and toddlers, and following their lead as they explore their environment.
- **More than Fun and Games: Digital Technologies and Children's Learning**
- **Early Essentials Webisode 8: Responsive Interactions** – Listen as Janet Gonzalez Mena and other experts discuss using back-and-forth exchanges to meet children's individual needs.
- **Let's Talk about Routines** – This podcast looks at the value of predictable routines to help young children build a sense of trust and security. Home visitors and child care providers will hear tips for creating meaningful routines.
- **Help Me Calm Down! Teaching Children How to Deal with Their Big Emotions**
- **Help Me Make a Strong Start! Strategies for Successful Kindergarten Transitions**
- **Novel Words, Birth to Five** - Conversations help children develop varied vocabularies. Find out how to use everyday talks with children to help them learn more vocabulary words.
- **Asking Questions, Birth to Five** - Learn strategies for using questions to extend conversations with infants, toddlers, and preschoolers.
- **Redirecting Behavior** - Learn ways to redirect a child's challenging behavior before it escalates.
- **Strategies for Understanding and Managing Challenging Behavior in Young Children: What Is Developmentally Appropriate - and What Is a Concern?** Explore this Technical Assistance Paper that assists in understanding how social and emotional development of infants and toddlers helps parents and staff to develop proactive strategies for supporting them.
- **Additional Resources for Early Essentials Webisode 2: Building Relationships** - Tammy Mann, president and CEO of the Campagna Center in Alexandria, VA, discusses ways to build relationships with expectant parents and the families of infants and toddlers.
