## We all explore, every day.

For all our searching – it's rare to find time to think, and talk, about the big questions of life; about faith and reason and God and meaning.

But exploring is good. We're built for it.

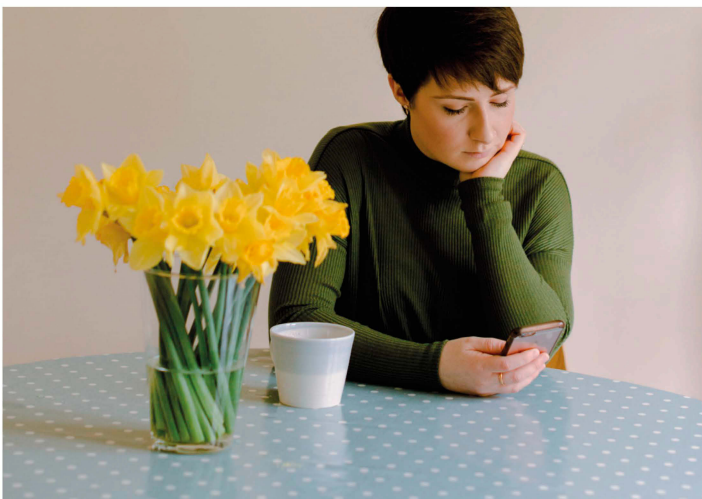

Alpha is an opportunity to explore life and the Christian faith in a friendly, open and informal environment.

A series of interactive sessions designed to create and inspire conversation, with food, a short talk and discussion where you can share thoughts. Each talk looks at a different question around faith and is designed to create conversation.

There's no charge, no pressure and no follow up. Simply time to explore.
