Hello Crossroads Saints! This has been a wonderful, confusing, amazing yet scary time we have been in. Stop with me for a moment to ponder this and let it soothe your souls....

There are certain things that you can do that no one else can. Perhaps it is parenting or constructing houses or encouraging the discouraged. There are things only you can do, in the way you do them, and you are alive to do them. In this great orchestra that we call life, you have an instrument that only you can play and a song only you can sing. You owe it to God to play them both sublimely.

"I praise you because you made me in an amazing and wonderful way." Psalm 139:14
Excerpts from "The Applause of Heaven"
