# Welcome...

**WE'RE SO GLAD YOU'RE HERE!** Thanks for joining us today! We don't want to miss the opportunity of connecting with you. So, whether you are visiting for the first time or are a regular attendee, please take a moment to fill out the digital *Connection Card*.

If you would like to give toward the ministries of Crossroads Church, please place your gift in one of the Tithes and Offerings Boxes located at each Worship Center exit. Online giving is also available on our website at [www.crossroadsefc.com](http://www.crossroadsefc.com)

**Looking for more information?** If you'd like to learn more about something you heard during Crossroads announcements regarding upcoming events or the ministries at Crossroads, please visit our Welcome Center Kiosk located in the Connection Area or visit our website at [www.crossroadsefc.com](http://www.crossroadsefc.com).

## We wanted you to know that...

- Once a worship service has begun, we ask that all entering and exiting the Worship Center use the east or west doors (not the center, please).
- Misplaced something? If so, please check the Welcome Kiosk for lost & found items.

In order to make our services available online as well as in other locations, and for marketing purposes, photography and video recordings may take place while you're here at Crossroads. Your presence signifies your consent for Crossroads Church to use your image. Thank you for your cooperation.

## marriage moment

One thing all of us married folks would agree about COVID is that as much as we may truly love our true love, it helped to be with other people rather than locked in *only* with our spouse. Naturally. Romans 8:28 declares: "*And we know that for those who love God all things work together for good.*" If your spouse tried you more during lockdown, the "for good" was that you had the opportunity to become a bit better at forgiving. If the two of you had increased conflict, the "for good" was that it became all the more clear that will-power alone won't resolve all conflict, only going to Jesus together in prayer will. If the experience actually *increased* closeness, the "for good" is self-evident. The Lord saw COVID coming with all these ramifications and allowed it knowing He would /will be using it to help the two of you *grow*. Growing your marriage always includes "growing pains". So, what's new? Don't forget that Crossroads has several trained marriage mentors that can help your marriage grow as well.

## what's our picture look like?

**Have you been on your Crossroads Connecting Online (CCO) account lately and taken a look at your profile pictures?**

If you haven't, then we'd encourage you to log in and check it out! There are actually two pictures associated with your profile. The first would be your family's picture and the second would be your individual profile picture. By having profile pictures available on CCO, we can help our church family better connect by "putting a face with a name".

**What if I don't remember how to access my CCO account?** You can easily reset your password when attempting to log in OR you can call the church office and we'll help you out!

**Where do I go again to log into CCO?** Simply go to [www.crossroadsefc.com](http://www.crossroadsefc.com) and click on the CCO link at the top of the page.

**I don't have a CCO account, but I'd like one!** Simply go to [www.crossroadsefc.com](http://www.crossroadsefc.com) and click on the CCO link at the top of the page.
