Tiny Angels

Participation in Tiny Angels is by invitation only. No more than 10 gymnasts will be invited to join. The Tiny Angel program is designed to be an intensive training gymnastics camp to prepare 6-10 year olds for future participation in Aerial Angels. The Top 5 gymnasts chosen to be in Tiny Angels will practice with the Aerial Angels twice per week throughout the summer. Tiny Angel gymnasts who display a readiness for competition may be invited to join Aerial Angels in August. Tiny Angel gymnasts, however, are not guaranteed an invitation to Aerial Angels.

Competitive Team (Aerial Angels)

Participation in Aerial Angels is by invitation only. Aerial Angels train two to four days each week. All Aerial Angels may register for their choice of practice days as long as they reach the required amount of practice hours per week. Practices include one mile of running, pool conditioning, ballet, and skill training on all artistic gymnastic apparatuses.

Please see your handbook for required practice hours. In some cases a gymnast's age or body composition may be considered in the calculation of required practice hours. If you have any questions, please see the Gymnastics Director.

The Aerial Angels must wear their hair in a bun. Only black shorts and leggings are allowed. Aerial Angels fees are per month and are based on the number of practice hours each week. Please see the Gymnastics Director for details. Aerial Angels participate in seven competitive meets each year between November and April. Additional meet fees are required.

Gymnasts must be at least 5 years old to be on the competitive team.
