A message to our valued customers:

We have taken every possible measure to ensure that the pricing which you find in our book is the same price per unit that appears on your invoices when you pick up at the store (this include sales tax and freight). Simply refer to the column for your specific region and you will know ahead of time exactly what your cost should be. These changes will make it easier for you to find what you're looking for and know what you're paying for it.

Thank you for choosing **Majestic Wine & Spirits!**
