YOUR VOICE, YOUR UNION, YOUR CONTRACT

About UFCW 21

UFCW 21 is a large, strong, progressive, and diverse union, representing more grocery workers, retail workers, and professional and technical health care workers than any other union in the state.

With over 46,000 members united, we have the power and resources to take on tough employers, represent members on the job, raise standards in our industries, and support laws that make a difference for working families.

My Union Representative:

My Union Steward:

With a union you and your co-workers have a voice in decisions about your work life—wages, benefits, holidays and vacations, scheduling, seniority rights, job security, and much more. Union negotiations put us across the bargaining table from management—as equals.

A negotiating committee of your co-workers and union staff negotiated this contract. How does the negotiating committee know what issues are important? Union members tell us. The issues raised in contract surveys and proposal meetings help us decide what to propose in contract negotiations. Stewards and union representatives report on issues that arise on the job, talking with members about grievances, problems, and needs. They have a hands-on sense of what the issues are.

The more that union members stand together and speak out with one voice, the stronger the contract we can win. A contract can only take effect after union members have a chance to review the offer and vote on it.

A union is as strong as its members. It's no secret—an active and united membership means a stronger union—which means a better contract.

The Employer shall discharge any employee as to whom the Union, through its authorized representative, delivers to the Employer a written notice that such employee is not in good standing in conformity with this Article. For the purpose of establishing uniform rules for the application of this paragraph of the Agreement, the parties agree as follows:

2.2.1 If a newly hired employee fails to apply for Union membership, or if an employee fails to comply with the requirements of continued membership as set forth above, the Union will serve a letter upon the Employer requesting that such employee be terminated.

2.2.2 Upon receipt of a letter requesting termination of an employee who has not complied with Article 2 of the Agreement, the Employer shall (on the same date, if the employee is working on that date) immediately notify such employee that if he has not complied with the Union membership requirements of Article 2 of the Agreement prior to the end 14 days, his employment shall be automatically terminated.

12.1 After their first (1st) year of employment, employees who are regularly employed twenty (20) hours or more per week who are called for service on a District Court, Superior Court, Municipal or Federal District Court jury shall be excused from work for the days on which they serve and shall be paid the difference between the fee they receive for such service and the amount of straight-time earnings lost by reason of such service up to a limit of eight (8) hours per day and forty (40) hours per week and one hundred twenty (120) hours within any calendar year; provided, however, an employee called for jury duty who is temporarily excused from attendance at court must report for work if sufficient time remains after such excuse to permit him to report to his place of work and work at least one-half (1/2) of his normal workday. Employees who have served a full day as juror, and who are scheduled to commence work after 9 p.m., shall not be required to report to work that day. In order to be eligible for such payments, the employee must furnish a written statement from the appropriate public official showing the date and time served and the amount of jury pay received.

ARTICLE 13 - HEALTH AND WELFARE/DENTAL/RETIREES

13.1 The Employer and the Union agree to be bound by the terms of the Trust Agreement, which created the Sound Health and Wellness Trust, as initially executed on June 18, 1957, or the Trust Agreement which established the Sound Health and Wellness Trust, initially adopted December 3, 1998, as applicable, by all subsequent revisions or amendments thereto, and by all policies and other conditions of participation and eligibility, which may be established from time to time by the Plan Document, the Trusts' Rules and Regulations, the Summary Plan Description, and other pertinent procedures, practices, and Trustee actions. The Employer accepts the Employer Trustee members of the Board of Trustees, and their duly appointed successors, as its representatives for purposes of managing the Trust. The Union accepts the Labor Organization Trustee members of the Board of Trustees, and their duly appointed successors, as its representatives for purposes of managing the Trust.

13.2 Adoption of Health and Welfare Labor Agreement: The Employer and the Union agree to be bound by the Health and Welfare Labor Agreement, effective May 2007, by and between Allied Employers, Inc. and UFCW Union Locals 21, 44, 81, 367, 1439, UFCW International, and Teamsters Union Local 38, and by all subsequent revisions or amendments thereto.

13.3 The Employer party to this Agreement shall continue to pay on a per compensable hour basis (maximum of one hundred and seventy-three (173) hours per calendar month per employee) into the Sound Health and Wellness Trust for the purpose of providing the employees with hospital, medical, surgical, vision, group life, accidental death and dismemberment, weekly indemnity benefits and dental benefits in accordance with the contribution rates and related provisions established by the separate Health and Welfare Agreement between Allied Employers, Inc., and various Local Unions dated April 1, 1977 and as subsequently amended, including the revision dated May 6, 2007.

13.4 The details of the benefit programs including a description of exact benefits to be provided and the rules under which employees and their dependents shall be eligible for such benefits, shall be determined by the Trustees of the Sound Health and Wellness Trust in accordance with the terms and provisions of the Trust Agreement creating the Trust and may be subsequently amended.

13.5 The term "compensable hour" shall mean any hour for which any employee receives compensation required by this Agreement.

13.6 The contribution referred to shall be computed monthly and the total amount due for each calendar month shall be remitted in a lump sum not later than twenty (20) days after the last day of the month in which the contributions were earned.

13.7 Notwithstanding the forgoing Section, the Board of Trustees of the Sound Health and Wellness Trust shall have the authority to establish and enforce a method for reporting contributions on an accounting period basis, rather than a calendar month basis. In such case, the one hundred seventy-three (173) hour maximum shall be appropriately adjusted, as directed by the Trustees, provided that in no event shall the Employer's total obligation be different than what it would have been on a calendar basis. Further, the total contributions due for each approved accounting period shall be remitted in a lump sum not later than twenty (20) days after the end of the accounting period.

13.8 Effective May 2016, the Employer will also pay the employees' weekly contribution up to \$9.00 per week for individual coverage, \$15.00 for employee and child(ren), \$21.00 for employee and spouse, and up to \$23.00 per week for family coverage. Any increases over these amounts will be paid by the employee.

13.9 The Employer will contribute to the Sound Health and Wellness Trust as follows:

13.9.1 Effective with August 1, 2019 through September 30, 2019 hours, the Employer's current contribution rate(s) shall \$4.86 per hour.

13.9.2 Effective with October 1, 2019 (“Effective Date”) hours, the Employer current contribution rate(s) shall be reduced by twenty-one cents per hour except that, effective for hours upon notice by the Sound Health and Wellness Trust, the Employer’s contribution rate shall further decrease on a temporary basis in order to allow for an increase in the Employer contribution rate to the Sound Retirement Trust under Article 15.3.

13.10 Additionally, beginning with the month following notice from the Trustees of the Health and Wellness Trust that a temporary reduction in the Employer's contribution rate is authorized, the amount of such reduction shall be added as a monthly employer contribution to the Sound Retirement Trust on behalf of all eligible employees as described in Section 15.3. These amounts are in addition to the employer contributions required under Section 15.3. The payment of such reduced contributions shall continue until the earlier of the thirteenth month following the effective date of the reduction or when the Trustees determine, in their sole discretion, that the amount of surplus assets in the Health and Wellness is reduced to, or anticipated to be reduced to zero. The Health and Wellness Trust shall provide notice of such determination. However, in no event shall the Employer’s contribution rate to the Health Trust be reduced below \$4.65 per hour if the Trust excess assets (above the required reserves) are anticipated to fall below 2½ months of excess reserves before such date.

13.11 Starting October 2020, every six months through March 2022, the consultants will project Plan expenses and income and report these amounts to the Trustees. Based on those projections, the Trustees will set the contribution rate (with a minimum rate of the initial hourly rate before the temporary decrease) and up to a maximum rate of \$4.86) that is anticipated to result in an excess reserve of \$52 million by April 30, 2022. Each recalculated rate shall become effective for the Employer as of the effective date determined by the Trustees and the Employer shall pay the recalculated as of such effective date.

13.12 In March 2022, the consultants will determine the actual current hourly cost of the plan based on (1) the most recent 12 months of incurred plan expenses adjusted to reflect trend to the 12-month period ending April 30, 2022, (2) the most recent 12 months of employee contributions, (3) the most recent 12 months of hours, and (4) expected investment income. The contribution rate will be set based on this hourly cost analysis and shall become effective with April 2022 hours, provided that the hourly rate shall not exceed \$5.19 and not be less than \$4.86. However, for January through March 2022, the Employer’s contribution rate will be temporarily reduced from this contribution rate by such amount as to redirect the total amount of \$15 million for all employers to a Variable Annuity Plan.

13.13 All other trust programs shall continue unless modified by the Trustees based on the terms of the Trust and Plan documents.

ARTICLE 14-STATE INDUSTRIAL INSURANCE

14.1 All employees shall be covered under Washington State Workmen's Industrial Accident Compensation or guaranteed equal coverage.

ARTICLE 15 - RETIREMENT PROGRAM

15.1 a) Acceptance of Trust Agreement: The Employer and the Union agree to be bound by the terms of the Trust Agreement, which created the Sound Retirement Trust, as initially executed on January 13, 1966, by all subsequent revisions or amendments thereto, and by all policies and other conditions of participation and eligibility, which may be established from time to time by the Trust's Plan Document, Summary Plan Description, and other pertinent rules, regulations, and Trustee actions. The Employer accepts the Employer Trustee members of the Board of Trustees, and their duly appointed successors, as its representatives for purposes of managing the Trust. The Union accepts the Labor Organization Trustee members of the Board of Trustees, and their duly appointed successors, as its representatives for the purposes of managing the Trust.

b) All contributions shall be paid on compensable hours with a maximum of one hundred seventy three (173) hours per calendar month per employee.

c) The term "compensable hour" shall mean any hour for which any employee receives any compensation required by this Agreement.

d) The contribution referred to shall be computed monthly and the total amount due for each calendar month shall be remitted in a lump sum not later than twenty (20) days after the last day of the month in which the contributions were earned.

e) Notwithstanding the foregoing Section, the Board of Trustees of the Sound Retirement Trust shall have the authority to establish and enforce a method for reporting contributions on an accounting period basis, rather than a calendar month basis. In such a case, the one hundred seventy three (173) hour maximum shall be appropriately adjusted, as directed by the Trustees, provided that in no event shall the Employer's total obligation be different than what it would have been on a calendar basis. Further, the total contributions due for each approved accounting period shall be remitted in a lump sum not later than twenty (20) days after the end of the accounting period.

15.2 The Employer shall pay into the Sound Retirement Trust, inclusive of trust fund deficit reduction, the following sums under this Article 15.

15.3 15.3.1 Until the effective date of the new future service defined benefit variable plan under Section 15.4, the Employer will continue to make contributions to the Sound Retirement Trust as described in this Section and the Employer's active participants will continue to earn benefit accruals until such effective date. The Employer shall make contributions on behalf of all eligible employees to the Sound Retirement Trust under this Section:

	Current	Upon Ratification	1/1/2021	1/1/2022	1/1/2023
Accrual Rate	\$ 0.650	\$ 0.650	\$ 0.650	\$ 0.650	\$ 0.650
Pre-Rehab Rate	\$ 0.100	\$ 0.100	\$ 0.100	\$ 0.100	\$ 0.100
Current Rehab Rate	\$ 0.650	\$ 0.784	\$ 0.920	\$ 1.056	\$ 1.192
Non-benefit redirect from retiree welfare	\$ 0.010	\$ 0.010	\$ 0.010	\$ 0.010	\$ 0.010
TOTAL	\$ 1.410	\$ 1.544	\$ 1.680	\$ 1.816	\$ 1.952

The parties hereby adopt the Preferred schedule under the Rehabilitation Plan of the Sound Retirement Trust as revised December, 2019 with the Preferred schedule to be effective with respect to those subject to the terms of this collective bargaining agreement as of the date stated in the Rehabilitation Plan and selected Schedule and the Employer shall contribute in accordance with such schedule. In accordance with that Schedule, the Employer also shall make such additional supplemental contributions in addition to the base contributions described under 15.3.4 below. It is recognized and agreed that said supplemental contributions will not result in any pension credit for the covered employees.

15.3.2 Upon the effective date of the new future service defined benefit variable plan under Section 15.4, future benefit accruals under the SRT will cease and the SRT plan will be frozen; as a result, the funding of 125% of the employer's base contribution for the SRT for the Employer's employees is discontinued once future benefit accruals commence under the VAP and all hourly contribution rates paid to the SRT will be reduced by this adjusted base contribution under this Section 15.3.

15.3.3 The Employer will continue to contribute to the SRT and not incur a withdrawal from the SRT solely as a result of the cessation of future benefit accruals under the SRT.

15.3.4 The SRT Employer liabilities will be funded under an updated Rehabilitation Plan designed with the objective that the Plan will move to the green zone and achieve 102% funding by 2030. This updated Rehabilitation Plan will include the current scheduled increases plus an additional contribution of three (\$.03) cents per hour in annual increases over a new ten-year period beginning January 1, 2020 (January hours/February payment). Such accelerated funding in this agreement shall apply to the SRT liabilities and shall remain in effect regardless of the Zone status of the Plan.

15.3.5 The Employer shall continue to pay all of the scheduled contribution increases under the updated Rehabilitation Plan, as set forth above, through the term of this CBA, regardless of the zone status of the SRT. All hourly contributions to the SRT shall continue to be made on behalf of all compensable hours above regardless of whether the employee participates in the SRT prior to the freeze date. In addition, the Parties ask the Trustees of the Plan to explore adopting specific language that all additional contributions will not be used in calculations of the employers' share of the unfunded vested benefits, to the extent permitted by law.

15.3.6 The parties recognize that this global solution for the pension funding liabilities is contingent on the full implementation of the agreement between Safeway/Albertson's and the Union and the full implementation of the agreement between Kroger and the Union, including the transfer of liabilities and assets from the SRT to the UFCW Consolidated Fund under the MOU between Kroger and the Union. If either the SRT or the UFCW Consolidated Fund does not approve the global solution, the bargaining parties will meet to discuss other alternatives.

15.3.7 The parties agree to request that the Actuaries of the SRT review and update, as they determine is appropriate, the current withdrawal liability method used by the Fund.

15.3.8 In part to order to ensure the prudent funding of the Sound Retirement Trust, the Employers, in total, agree to redirect health & welfare trust contributions up to the total amount of \$100 million to the SRT commencing with January 2020 hours.

15.3.9 The parties will cooperate in seeking approval by the relevant parties for this global solution for accelerated funding of the unfunded liabilities of the SRT, including the SRT Board of Trustees, the PBGC and the UFCW Consolidated Fund Board of Trustees. (Subject to final agreement on the details of any Kroger transaction.)

15.3.10 To that end, the parties agree to ask that the SRT Trustees consider the following:

- a. Continue to extend cash-matched period under Beta portfolio as the situation warrants in order to continue to reduce investment risk in the SRT;
- b. Reduce the valuation assumption to 6.5% net of investment expenses; and
- c. Invest the \$175 million in assets to be transferred from the SRT to the UFCW Consolidated Pension Fund at a risk free rate of return from the ratification date of the collective bargaining agreement until the date of transfer. (Subject to final agreement on the details of any Kroger transaction.)

15.3.11 This agreement is contingent on the bargaining parties reaching an overall collective bargaining agreement, including an agreement between the Employer and the Union for a new future service defined benefit variable plan for all current employees affected by this transfer.

15.4 Variable Annuity Plan. As of the effective date of the new future service defined benefit variable annuity plan (VAP), future service benefit accruals will be earned in the VAP, a multiemployer variable annuity defined benefit plan. Participants' service earned under the Sound Retirement Trust (SRT) and the VAP will be recognized for participation, vesting and benefit eligibility purposes in both plans. In the event of a short plan year running from the transfer date to December 31, the benefit guarantee will apply for the short plan year and the subsequent initial full plan year ending December 31, 2021. The VAP shall operate on a calendar plan year basis.

15.4.1 CONTRIBUTIONS TO VAP

15.4.1 The Employer will contribute eighty one and one quarter cents (\$.8125) per hour for each eligible active participant to the VAP, commencing with the effective date and eighty one and one quarter cents (\$.8125) per hour effective January 1, 2022 and eighty one and one quarter cents (\$.8125) per hour effective January 1, 2023. Contributions will be made on behalf of current active employees and future newly hired employees in classifications for whom contributions have been made under the current collective bargaining agreement and on the same compensable hour basis as contributions are currently made to the SRT. Contributions shall be remitted monthly, in the same manner as they have been made to the SRT.

Notwithstanding the above, for the term of this contract, in no event shall the contribution be less than 125% of the base contribution to the Sound Trust as of the effective date of the VAP. All actuarial assumptions of the plan will be reviewed and adjusted as necessary on an annual basis for the term of this CBA.

In addition, the Employer will contribute three cents (\$.03) per hour for each eligible active participant to the VAP, commencing with the effective date of the VAP through the end of the initial first full Plan Year.

The eligibility, rights and features of the benefit design of the VAP on the effective date of the VAP will replicate the current benefit design of the SRT, except that the benefit accrual will be based on a formula that utilizes total contributions made on the employee's behalf and a percentage accrual factor that reflects the VAP characteristics (to be reviewed jointly by the parties). For the short plan year and the first full plan year, there shall be a floor benefit and the benefit accrual of the VAP cannot be less than what the participant would have earned in the same period under the SRT benefit formula. Thereafter, the earned benefit accrual will be adjusted annually up or down based on performance to a 5.5% hurdle rate which will also be used to discount the benefit liabilities.

The Employer agrees to promptly provide, on a periodic basis, such salary data for employees intended to be covered by the VAP to allow the actuaries for the parties developing the VAP to determine the benefit accrual rate from the VAP that can be funded with such contributions determined above and in the future as the VAP operates to allow administration of the VAP.

15.4.2 The benefit accrual under the VAP will be periodically reviewed (but at least every three (3) years) to ensure that the plan is designed to maintain full funding of all benefit liabilities, with the first review no later than December 31, 2021. Notwithstanding the above, for the term of this contract, all actuarial assumptions of the plan will be reviewed and adjusted as necessary on an annual basis for the term of this CBA.

15.4.3 The eligibility, rights and features of the benefit design of the VAP on the effective date of the VAP will replicate the current benefit design of the SRT, except that the benefit accrual will be based on a formula that utilizes total contributions made on the employee's behalf and a percentage accrual factor that reflects the VAP characteristics (to be reviewed jointly by the parties). For the short plan year and the first full plan year, there shall be a floor benefit and the benefit accrual of the VAP cannot be less than what the participant would have earned in the same period under the SRT benefit formula. Thereafter, the earned benefit accrual will be adjusted annually up or down based on performance to a 5.5% hurdle rate which will also be used to discount the benefit liabilities.

The Employer agrees to promptly provide, on a periodic basis, such salary data for employees intended to be covered by the VAP to allow the actuaries for the parties developing the VAP to determine the benefit accrual rate from the VAP that can be funded with such contributions determined above and in the future as the VAP operates to allow administration of the VAP.

15.4.4 Annual benefit improvements will be capped at 3.0% above the 5.5% hurdle rate. Any surplus investment return between the 5.5% and the 8.5% cap will fund benefit improvements and any surplus investment return over 8.5% shall be allocated to the stabilization reserve.

15.4.5 The VAP board of trustees will formulate a stabilization reserve policy which will define the board's discretion to manage the stabilization reserve and determine how and when it is used to support benefit accruals in years in which the plan investments underperform the hurdle rate. The Employer will contribute to the stabilization reserve from January through March, 2022 in accordance with Section 13.3.

It is the intent of the parties that the stabilization reserve policy will be used to stabilize benefits for active and retired participants in the event of returns of 2% or lower ("the Floor Return") and maintained in order to address the VAP investment and demographic experience and the level of assets/benefits accrued under VAP. It is not the intent that the stabilization reserve be used in the event of investment returns higher than the Floor Return.

15.4.6 The Governance of the VAP will be modeled after the SRT Trust Agreement document, as appropriate and agreed to by the plan sponsor.

15.5 Western Employees Benefit Trust 401(k). The provisions of Section 17.3 of Article 17 of this Agreement shall, in no way, apply to or affect the Employer's obligation to pay contributions to this Trust Fund.

Effective second full month after ratification, the Employer agrees to participate in the Western Employees Benefit Trust- 401(k) Plan. The Employer obligations to the Plan are limited to:

1. The timely execution of the Plan's Subscribe Agreement.
2. The timely eligible payment of that portion of their wages eligible employees elect to pay into the Plan.
3. Eligibility shall be limited to regular employees covered by the Collective Bargaining Agreement who have completed one (1) year of service with the Employer and who maintain eligibility status as defined in the Summary Plan Description.
4. Participation in this Plan is on a voluntary basis and eligible employees shall be responsible for the Trust Fund Administrative fee.

ARTICLE 16 - GENERAL CONDITIONS

Demonstrators assigned to a store by a supplier shall confine themselves to the particular items being demonstrated and wear clothing or carry some badge identifying them with the product or firm for which the demonstration is made.

16.6 The Employer agrees to notify the Union of the sale or closure of a store at least 30 days in advance, whenever practical. Reasons where the 30 days notice is not practical may include but are not limited to lease contingencies, financing arrangements, or finalization of the buy/sell arrangements.

ARTICLE 17 – GRIEVANCE PROCEDURE

17.1 All matters pertaining to the proper application and interpretation of any and all of the provisions of this Agreement shall be adjusted by the accredited representative of the Employer and the accredited representative of the Union. In the event of the failure of these parties to reach a satisfactory adjustment within seven (7) days from the date the grievance is filed in writing by either party upon the other, the matter shall be referred for final adjustment to a Labor Relations Committee selected as follows: two (2) members from the Employer and two (2) members from the Union. In the event the Labor Relations Committee fails to reach an agreement within twenty-one (21) days from the date a grievance is filed in writing by either party upon the other, the four (4) shall select a fifth member or they shall request the Federal Mediation and Conciliation Service to submit a list of eleven (11) names of qualified arbitrators from which the labor relations committee shall select a fifth member, who shall be chairman, and the decision of this committee shall be binding on both parties. The labor relations committee as thus constituted shall have no power to add to, subtract from or change or modify any provisions of this Agreement, but shall be authorized only to interpret existing provisions of this Agreement as they apply to the specific facts of the issue in dispute.

17.2 During the process of making adjustments under the rule and procedures set forth in 17.1 above, no strike or lockout shall occur.

17.3 Except as provided for in Sections 17.3.2 and 17.3.3, no grievances or claim of violation of this Agreement shall be recognized unless presented in writing within thirty (30) days from the date of the occurrence causing the complaint or grievance, except in cases where report of the grievance has been suppressed through coercion by the Employer.

17.3.1 In the event the claim is one for additional wages, any such claim shall be limited to additional wages, if any, accruing within the forty-five (45) day period immediately preceding the date upon which the grievance was filed in writing.

17.3.2 Where there is an automatic wage bracket adjustment due under the terms of Appendix "A", the period of adjustment shall be one (1) year from the date the grievance was filed in writing.

17.3.3 In cases involving discharge, the grievance must be filed within fifteen (15) days from the date of discharge.

17.4 The Employer and the Union shall make available to the other, pertinent data necessary for the examination of all circumstances surrounding a grievance. The Arbitrator shall be empowered to effect compliance with this provision by requiring the production of documents and other evidence.

ARTICLE 18 - NO STRIKES OR LOCKOUTS

18.1 During the life of this Agreement the Union agrees not to engage in any strike or stoppage of work and the Employer agrees not to engage in any lockout. It shall not be a cause for discharge or discipline, and it shall not be a violation of this Agreement for an employee to refuse to cross a primary labor union picket line at the Employer's premises that has been established to support a legal strike, provided the picket line is approved by Local #21.

ARTICLE 19 - SEPARABILITY

19.1 It is hereby declared to be the intention of the parties to this Agreement that the sections, paragraphs, sentences, clauses and phrases of this Agreement are separable and if any phrase, clause, sentence, paragraph or section of this Agreement shall be declared invalid by the valid judgment or decree of a court of competent jurisdiction because of the conflict with any Federal or Washington State law, such invalidity shall not affect any of the remaining phrases, clauses, sentences, paragraphs and sections of this Agreement and the balance of this Agreement shall continue in full force and effect.

Notwithstanding the above language, the parties recognize the company's current payroll system does not have the capability to deduct initiation, reinstatement and arrears. If and when this capability becomes available, the employer agrees to collect these items.

20.1.1 Active Ballot Club - For employees who voluntarily authorize a contribution to the UFCW Active Ballot Club political action committee, the Employer agrees to deduct the authorized amount each payroll period on a payroll deduction basis and forward same to the union. Participation must be at 20% or greater of the bargaining union to implement the deduction. If the participation rate falls below the 20% the union shall have 45 days to re-establish the 20% to continue the deduction.

20.2 The Union agrees to supply the Employer with the amounts of union dues, initiation fees, reinstatement fees or assessments applicable to each individual as the case may warrant. In no event will the amount deducted exceed the total of one month's dues plus fifty dollars (\$50.00).

20.3 The Employer agrees to request all employees to fill out and sign, check-off authorization forms, which are to be supplied by the Union.

By and Between
UNITED STATES BAKERY, Inc.
AND

United Food and Commercial Workers International Union, Locals 21 and 367

The purpose of this Letter of Understanding is provide notice to United Food and Commercial Workers International Union (UFCW) Locals 21 and 367, who are employees of United States Bakery, Inc. (the Company), of wage deductions that will commence as a result of the new Washington Paid Family and Medical Leave law.

The State of Washington adopted the Washington Paid Family and Medical Leave (the "Law") which is a state run insurance program funded by employers and employees. It is administered by the Employment Security Department for the State of Washington and went into effect January 1, 2019, with benefits starting in 2020 for eligible and qualifying employees. For employers who have employees covered by a collective bargaining agreement in effect before October 2017, the Law's application is delayed until the CBA expires, is reopened or is renegotiated.

Under the Law, the current combined contribution rate between an employer and employee is .4% of an employee's gross pay. The employer contribution is 37% of the combined contribution rate and the employee contribution is 63% of the combined contribution rate. The contribution rates may be adjusted annually. The employee portion will be deducted from the employee's weekly paycheck, upon execution of this LOU or ratification of a new contract between the Parties, whichever is sooner.

The Parties to this LOU understand that the Law, the contribution rates, and other provisions may be subject to modification. Unless the Law is repealed, this LOU will remain in effect for the duration of this contract.

THE UNION DIFFERENCE

As a union member, you have certain rights at your workplace:

A Voice at Work

Because you have a union, you have a voice at work. A negotiating committee of union members and staff negotiate with management—as equals—over wages, benefits, working conditions, and other issues. The union committee pushes for the issues that union members choose. The result of negotiations is a proposed contract which members vote on before it takes effect.

Right to Union Representation

Every union member has the right to union representation during an investigatory interview that could lead to discipline. This is called your “Weingarten” right, after a Supreme Court case which established the right to representation.

Just Cause for Discipline

The just cause provision in your union contract ensures you have due process in cases of discipline. The just cause standard is a well-defined set of legal rules that involve several different “tests” of a disciplinary action. The tests of just cause provide considerable protection against retaliation, discrimination, or other unfair actions.

The Security of a Union Contract

As a union member, your wages and working conditions are spelled out in writing in a legally-binding union contract. You are not alone at the workplace—instead, you have the security of knowing that your rights are protected by your union contract and backed up by the 46,000 other members of UFCW 21.

Statement of Your Right to Union Representation (Weingarten Rights)

“I understand that this proceeding is for the purpose of investigating whether I may receive discipline. Therefore, I request that a union representative be present on my behalf before this proceeding continues. If you insist that the proceeding continue without allowing me union representation, I hereby protest your denial of rights guaranteed to me under federal labor law.”
