YOUR VOICE, YOUR UNION, YOUR CONTRACT

About UFCW 21

UFCW 21 is a large, strong, progressive, and diverse union, representing more grocery workers, retail workers, and professional and technical health care workers than any other union in the state.

With over 46,000 members united, we have the power and resources to take on tough employers, represent members on the job, raise standards in our industries, and support laws that make a difference for working families.

My Union Representative:

My Union Steward:

With a union you and your co-workers have a voice in decisions about your work life—wages, benefits, holidays and vacations, scheduling, seniority rights, job security, and much more. Union negotiations put us across the bargaining table from management—as equals.

A negotiating committee of your co-workers and union staff negotiated this contract. How does the negotiating committee know what issues are important? Union members tell us. The issues raised in contract surveys and proposal meetings help us decide what to propose in contract negotiations. Stewards and union representatives report on issues that arise on the job, talking with members about grievances, problems, and needs. They have a hands-on sense of what the issues are.

The more that union members stand together and speak out with one voice, the stronger the contract we can win. A contract can only take effect after union members have a chance to review the offer and vote on it.

A union is as strong as its members. It's no secret—an active and united membership means a stronger union—which means a better contract.

“This Agreement is entered into by the employer, Puget Consumers Co-op d/b/a PCC Community Markets, referred to hereinafter as “PCC” and the United Food & Commercial Workers Local 21, referred to hereinafter as the “UNION”.

It is the intent and purpose of PCC and the Union to promote and improve Labor Management relations between them and to set forth herein the basic terms and Agreement covering wages, hours and conditions of employment to be observed by the parties of this Agreement.

In consideration of the mutual promises and agreements between the parties hereto, and in consideration of their mutual desire in promoting the efficient conduct of business and in providing for the orderly settlement of disputes between them, the parties to this Agreement agree as follows:

ARTICLE 1 - RECOGNITION AND BARGAINING UNIT

- 1.1 PCC hereby recognizes United Food & Commercial Workers Local 21 as the sole and exclusive collective bargaining agency for a unit consisting of “all staff” except Store Director and Assistant Store Director(s), Deli Coordinator (see letter of understanding for clarification) and staff of a meat department, employed in PCC's Ballard, Bellevue, Burien, Bothell, Central District, Columbia City, Edmonds Fremont, Greenlake, Greenlake Village, Issaquah, Kirkland, Redmond, View Ridge, and West Seattle stores with respect to rates of pay, hours, and other conditions of employment. Subject to the terms of Section 16.1 of Article 16, in accordance with the practices developed under this Agreement the work of handling and selling of merchandise in such retail stores covered by this Agreement shall be performed only by staff of PCC within the unit referred to above for which United Food & Commercial Workers Local 21 is recognized as the sole collective bargaining agency by PCC.
 - 1.1.1 In the event a new store is opened by PCC, PCC shall recognize the Union under the terms of the existing contract, either voluntarily or by secret ballot election within sixty days of the store opening.
 - 1.1.2 PCC agrees to recognize a designated shop steward appointed by the Union for each store location covered by this Agreement.
 - 1.1.3 PCC agrees that the classification of “Demonstrator” shall be included within the definition of “all staff” for purposes of Section 1.1

ARTICLE 2 - UNION SECURITY

- 2.1 Pursuant to and in conformance with Section 8 (a) 3 of the LABOR MANAGEMENT RELATIONS ACT of 1947, as amended, it shall be a condition of employment that all staff persons covered by this Agreement who are members of the Union in good standing on the date of this Agreement shall remain members in good standing, and those who are not members on the date of this Agreement, shall, on the thirtieth (30th) day or after one hundred hours of employment, whichever is longer, following the date of this Agreement, become and remain members in good standing in the Union. It shall also be a condition of employment that all staff persons covered by this Agreement and hired on or after its date shall, on the thirtieth (30th) day or after one hundred hours of employment, whichever is longer, following the beginning of such employment become and remain members in good standing in the Union.

- 2.2 PCC shall suspend any staff person as to whom the Union, through its authorized representative, delivers to PCC a written notice that such staff person is not in good standing in conformity with this Article. For the purpose of establishing uniform rules for the application of this paragraph of the Agreement, the parties agree as follows:
- 2.2.1 If a newly hired staff person fails to apply for Union membership, or if a staff person fails to comply with the requirements of continued membership as set forth above, the Union will serve a letter upon the PCC requesting that such staff person be suspended.
- 2.2.2 Upon receipt of a letter requesting suspension of a staff person who has not complied with Article 2 of the Agreement, PCC shall (on the same date, if the staff person is working on that date) immediately notify such staff person that if she/he has not complied with the Union membership requirements of Article 2 of the Agreement within fourteen days (14) from the date of written request for suspension, his/her employment shall automatically be suspended.
- 2.2.3 The Union agrees to withdraw any letter of suspension if a staff person, in respect to whom such letter has been served, shall complete his/her membership requirements within the time limit specified in 2.2.1 and 2.2.2.
- 2.2.4 Whenever the Union requires the suspension of any staff person in connection with the Union security clause of this Contract, the Union shall hold PCC harmless and shall indemnify PCC against loss, as a result of relying upon the direction of the Union in suspending any staff person. PCC agrees that when the Union notifies PCC that the reason for the suspension was a bona fide clerical error, PCC will reinstate the staff person to his/her former position on the next weekly schedule.
- 2.3 PCC shall supply to the Union on a monthly basis a list of all employees covered by this Agreement. The list shall be sent electronically and shall include the employee's name, address, phone number, department, job classification, date of hire, social security number, wage rate, work location, hours worked, company employee id number, and gross income for the previous month. Each month PCC will also include an electronic list of new hires and terminations during previous month. The new hire list shall include all information listed above. The termination list shall include the effective date of termination. Provided, however, the two lists can be combined into one list if the Employer identifies the new employees and the terminated employees on the supplied list.
- 2.3.1 The Union shall without limitation indemnify and hold the Employer harmless from any and all claims arising from the Employer's requirement to comply with Section 2.3

2.4 DISCIPLINE AND DISCHARGE

The Employer reserves the right to discharge any person in his employ if the employee's work is not satisfactory. No staff person shall be disciplined or discharged except for "Just Cause". Staff persons will abide by these policies when activating store grievance procedures. PCC or staff judgment in disciplining a staff person is subject to review by an Arbitrator, as outlined in Article 15.

- 2.4.1 In cases of discipline or discharge, Just Cause may be established if an employee has violated PCC Policy or in the case of performance related deficiency, after failure to comply with a Final Performance Agreement remediating the deficiency. PCC can set policies regarding the competency and qualifications of staff persons. PCC continues to adhere to the concept of progressive discipline appropriate to the employee issue at hand. Progressive discipline includes using "Conversations" (1st/level verbal warning), "We've Talked" (written warning), "Performance Agreement" (agreement on performance or stated further discipline will occur including, suspension or termination). PCC confirms the continued use of traditional "We've Talked" and "Performance Agreement (PA)" and other progressive measures PCC finds appropriate to the situation.

- 2.5 No staff person shall be discharged or discriminated against for any lawful Union activity, including performing service of the Union Committee outside of business hours or for reporting to the Union the violation of any provisions of the Labor Agreement, providing such activities shall not interfere with the normal performance of the staff person's work.
- 2.5.1 Each Union steward shall be allowed one (1) unpaid day off each year to attend a union steward educational seminar.
- 2.6 PCC agrees that it will not require any staff person or prospective staff person to take a polygraph (lie detector) test or tests as a condition of employment or continued employment.
- 2.7 During the term of this Agreement, PCC shall deduct Union all dues, initiation fee and agency fees from the pay of each member of the Union who voluntarily executes a wage assignment authorization form. When filed with PCC, the authorization form will be honored in accordance with its terms. Deductions will be promptly transmitted to the Union by check payable to its order. Included with the check PCC shall provide the Union a separate list of all employees using payroll deduction. The list shall be transmitted electronically and shall include, name, social security number, and dollar amount deducted by pay period. Upon issuance and transmission of a check to the Union, PCC's responsibility shall cease with respect to such deductions.
- 2.7.1 The Union and each employee authorizing the assignment of wages for the payment of Union dues hereby undertakes to indemnify and hold PCC harmless from all claims, demands, suits or other forms of liability that shall arise against PCC for or on account of any deduction made from the wage of such employee. The Union shall without limitation indemnify and hold the Employer harmless from any and all claims arising from the Employer's requirement to comply with Section 2.7
- 2.8 Active Ballot Club Check-off: The Employer agrees to deduct contributions in an amount designated by the employee from the paychecks of those employees whose individual written unrevoked authorizations are on file with the Employer and to transmit the amount so deducted to the Union. Said deduction authorization shall be in such form as to conform with governing Federal and State laws applicable to Political Action Committees (PAC). Deductions shall be administered according to guidelines established by the Employer.

ARTICLE 3 - SENIORITY AND AVAILABLE HOURS

- 3.1 **ATTAINMENT OF SENIORITY**
- 3.1.1 There exists a ninety (90) calendar day probationary period for each staff person beginning with the most recent date of hire. If a staff person is terminated during this probationary period, such terminations are not subject to Article 15 of this Agreement. All staff shall attain seniority after ninety (90) calendar days with PCC.
- 3.1.2 Upon completion of this period, seniority shall date back to the most recent date of hire.
- 3.2 **APPLICATION OF SENIORITY**
- 3.2.1 Seniority shall be applicable on an individual store basis, except as otherwise provided for under Section 3.2.2, 3.3.1 and 3.4.1, and shall apply to the extent provided for in this Article.
- 3.2.2 A staff person's seniority shall not be broken in cases where the staff person transfers to a different store with PCC within the geographic jurisdiction covered by the Collective Bargaining Agreements between PCC and United Food & Commercial Workers Local 21.
- 3.3 **LAYOFF**
- 3.3.1 Where on an individual store basis, there is a reduction of the number of staff holding seniority within such a store, the last staff person hired at that store shall be the first staff person laid-off, provided qualifications and ability are equal. The affected staff person so reduced may displace the

most junior staff person of PCC in the same classification, i.e. clerks, helper clerks, and courtesy clerks within the geographic jurisdiction covered by this Agreement, provided qualifications and ability are equal. A layoff is defined as two consecutive weeks that a staff person is not shown on the weekly work schedule. Notwithstanding the above, in the event of a store closure, the affected staff shall be considered laid-off at the time of the closure and shall be rehired in accordance with Section 3.4.1 and 3.5.7. In applying the forgoing, PCC will make every effort to identify and place staff from a closed store into open stores based on seniority, qualifications, and ability.

3.4 RECALL

- 3.4.1 Where there is an increase in the number of staff within a job classification, the last staff person with seniority laid off by PCC, within the geographic jurisdiction covered by this Agreement, will be the first staff person recalled, provided qualifications and abilities are equal and the staff person is available to perform the work. In the case(s) where two or more staff are laid-off on the same day, the senior staff person shall be the first recalled, provided qualifications and ability are equal.
- 3.4.2 Staff shall be required to inform PCC in writing of their current address and phone number, and with the exception of temporary recall, staff recalled in accordance with 3.4.1 shall be provided notice in writing and by phone to report to work. If the staff member fails to report to work within fourteen (14) calendar days following the date of notification, the staff member shall waive his/her recall rights, lose seniority rights as specified in section 3.5.4, and PCC may promptly seek the recall of others or, if there are no others, fill the position by all other available means.

3.5 LOSS OF SENIORITY

- 3.5.1 Except as otherwise provided for in Article 4 - Leaves of Absence, seniority shall be broken and a staff person's service shall be terminated for the following reasons:
 - 3.5.2 Voluntary quit;
 - 3.5.3 Discharge in accordance with Section 2.4;
 - 3.5.4 Failure to report to work within fourteen (14) days following the notification referred to in Section 3.4.2; and,
 - 3.5.5 Failure to report to work immediately following a Leave of Absence;
 - 3.5.6 Absence caused by an occupational accident of more than eighteen (18) consecutive months unless a longer period is agreed upon between PCC and the Union;
 - 3.5.7 Absence caused by a layoff in excess of three (3) months. Notwithstanding the above, staff laid off due to the closure of their store will retain their seniority for twelve (12) months, unless they fail to exercise their seniority with PCC at their first opportunity; refuse to accept recall; or accept employment with the purchaser.

3.6 REDUCTION OF HOURS

- 3.6.1 Full time staff shall not have their hours reduced for the purpose of increasing the working hours of part time staff or assigning such hours to new hires.

3.7 AVAILABLE HOURS

- 3.7.1 It is the intent of this Agreement and it shall be the practice of PCC to provide as many full time, forty (40) hour, positions as possible. The Employer may arrange weekly work schedules to accommodate the needs of the business, and senior employees shall be offered the most weekly hours up to a maximum of forty (40) hours per week; provided qualifications and ability are equal;

the senior employee is available to perform the work; and the employee has notified management in writing of his or her desire for additional hours of work. It shall be the obligation of the Employer to promptly investigate alleged abuses upon presentation, and to rectify such abuses when justified within the meaning of this section.

- 3.7.2 The Employer agrees that the provisions of Section 3.7.1 shall not be applied in an arbitrary manner and the Employer shall, at the request of the Union, provide business reasons for the scheduling of employees in that given store.
- 3.7.3 “Provided Qualifications and Ability are Equal” -- It is understood and agreed that the term “provided qualifications and ability are equal” shall mean that if two (2) employees have the same qualifications and abilities, the senior staff person has priority.
- 3.7.4 It is understood and agreed that the employee will not be entitled to request wages under the provisions of Section 3.7.1 except to the extent of time lost, commencing with the weekly work schedule 90 days following receipt of written notice from staff requesting additional hours. Requests may be granted sooner than 90 days when scheduling permits and the SD so approves.
- 3.7.5 Staff desiring less than forty (40) but thirty-two (32) or more hours in a week shall be scheduled for the requested hours based on seniority, provided qualifications and abilities are equal, and the staff person is available to perform the work. Requesting staff waive their right to claim any hours in excess of the amount requested. To reclaim seniority rights to hours a staff person must provide the SD with thirty (30) days written notice of such desire. Provided, however, a request for less than forty (40) hours shall be in effect for a minimum of ninety (90) days unless shortened by mutual agreement between the SD and the staff person. Any money contributed by staff during a plan year but before participation was terminated, will be returned to staff as taxable wages or at the employee's option transferred into another eligible retirement account provided there is no cost to PCC in making the transfer. The privilege of paying less than the members is available to the staff person, dependents, and one other adult in the household for their personal use. This privilege is intended to support you and your family, your partner/housemate (singular), if you have one, and your children, if you have any. These are people with whom you live, and the discount is meant to be taken on a reasonable volume of groceries used by those individuals. The intention is that the discount not be extended to others in a shared household, nor is it meant to be used by staff in purchasing food for members of a shared household. It is agreed that all allegations of a violation of any matter covered by this Agreement shall be "grieved" pursuant to Section 16.2 of this Agreement.

The parties will choose an arbitrator within 14 days of receipt of the FMCS list. The parties shall alternate in striking names from the list until one (1) name remains. A toss of the coin will choose who goes first. The person whose name remains shall be the Arbitrator.

- 16.3.1 The Payment of the Arbitrator's fee shall be borne by the losing party. If the Union and PCC agree that a short-hand, stenotype, or other reporter should take notes of the proceedings, the costs incidental thereto shall be shared equally, and each shall have access to the record. If the Union or PCC provides their own separate means for notation of the proceedings, such shall not, as a matter of right, be available to the other.
- 16.3.2 The Labor Relations Committee and the Arbitrator shall have no power to add to, subtract from, change, or modify any provisions of this Agreement, but shall be authorized only to interpret existing provisions of this Agreement as they apply to the specific facts of the issue in dispute. The decision of the Arbitrator shall be final and binding on all parties provided, either party may have the award reconsidered by the Arbitrator to account for delay of the process by any party to the proceedings.
- 16.4 Except as provided in 16.1, grievances shall not be recognized unless presented in writing within sixty (60) days from the date of the occurrence causing the complaint or grievance, except in cases where report of the grievance has been suppressed through coercion by PCC or suffering staff to work off the clock.

- 16.5 It is understood that any of the foregoing time limits may be waived by mutual agreement.
- 16.6 PCC and the Union shall make pertinent data necessary for the examination of all circumstances surrounding a grievance available to each other. The Arbitrator shall be empowered to effect compliance with this provision by requiring the production of documents and other evidence.

Helper Clerks may perform all the duties in the store except checking and ordering. Helper Clerk hours shall not infringe upon the seniority rights of staff hired on or prior to the ratification of the 1995 agreement. A.1.2.4 Upon promotion, a Helper Clerk or a Deli-Helper Clerk shall be credited with up to 50% of all hours worked up to a maximum of 2080 hours toward the Appendix "A" schedule, provided, however, no promoted employee shall receive an increase upon promotion which is less than 5% from their then current rate.

A.1.3 In addition to staff classified into the regular wage table and the Helper Clerk and Deli-Helper Clerk classifications, there shall also be a Courtesy Clerk classification. Courtesy Clerk hourly rates are

LETTER OF UNDERSTANDING #1

by and between
Puget Consumers Co-op
and

United Food and Commercial Workers Union Local No. 21

This letter is to confirm that the parties agree that the provisions of this Labor Agreement exceed the intent and requirements of the City of Seattle Secure Scheduling Ordinance Chapter 14.22.145. The parties have, pursuant to 14.22.145, entered into this Letter of Understanding as an agreed alternative structure for secure scheduling.

In consideration for the above, upon execution of this LOU (or as soon as practicable), PCC shall begin 14-day schedules.

Further, the parties shall meet and discuss the features of the scheduling system regularly beginning no later than 20 days after ratification. It is PCC's intent to continue to honor single store seniority and take individual employee's scheduling preferences into consideration. By January 1, 2018 the scheduling system shall include:

- Availability – Employees will set their availability in the system making clear when they can work and wish to work. Availability can be changed frequently (in advance of the drafting of the next posted schedule).
- Scheduling Memo – Employees can add a Scheduling memo note in the system.
- Seniority shall be the deciding factor in scheduling when multiple staff are available for the same shift (provided qualifications and abilities are equal).
- The system records a "digital trail" of all requests.

If by January 1, 2018, the scheduling system is unable to provide the above features, the parties may mutually agree to extend the timeline set forth in this agreement to continue to develop a system that provides these features. Absent a mutually agreed upon extension, the City of Seattle Secure Scheduling Ordinance Chapter 14.22.145 shall become effective.

2. The bargaining parties agree to consider jointly addressing future funding needs during the term of this agreement.

Nothing herein is intended to diminish work preservation rights the unions have under existing contractual provisions or law.

THE UNION DIFFERENCE

As a union member, you have certain rights at your workplace:

A Voice at Work

Because you have a union, you have a voice at work. A negotiating committee of union members and staff negotiate with management—as equals—over wages, benefits, working conditions, and other issues. The union committee pushes for the issues that union members choose. The result of negotiations is a proposed contract which members vote on before it takes effect.

Right to Union Representation

Every union member has the right to union representation during an investigatory interview that could lead to discipline. This is called your “Weingarten” right, after a Supreme Court case which established the right to representation.

Just Cause for Discipline

The just cause provision in your union contract ensures you have due process in cases of discipline. The just cause standard is a well-defined set of legal rules that involve several different “tests” of a disciplinary action. The tests of just cause provide considerable protection against retaliation, discrimination, or other unfair actions.

The Security of a Union Contract

As a union member, your wages and working conditions are spelled out in writing in a legally-binding union contract. You are not alone at the workplace—instead, you have the security of knowing that your rights are protected by your union contract and backed up by the 46,000 other members of UFCW 21.

Statement of Your Right to Union Representation (Weingarten Rights)

“I understand that this proceeding is for the purpose of investigating whether I may receive discipline. Therefore, I request that a union representative be present on my behalf before this proceeding continues. If you insist that the proceeding continue without allowing me union representation, I hereby protest your denial of rights guaranteed to me under federal labor law.”

- Family and Medical Leave
