

Dear Parents,

Welcome to 3 House Club! Please check our simple 8 rules we have here:

1. **Keep it clean:** No shoes or food in the soft play at the cafe area;
2. **Keep it healthy:** Please keep your child at home if he is unwell & contagious (no Chickenpox as we have pregnant mums);
3. **Keep it on time:** The classes can not be joined after 10 min start time;
4. **Let us know you are here:** Please bring your membership card/ class pass to the cafe to register before the class.
5. **Help kids to focus:** We are happy for all the mums to chat at the cafe/play-area after the classes, but please keep talking during the classes to a minimum.
6. **Help kids to behave well:** Please be responsible for your child behavior during the class & help him/her to get involved
7. **Respect privacy:** we are happy for you to take photos/videos of your child but please (a) check with a teacher of the class; and (b) if you have other kids in the photo that their parents are ok with that. No children names can be in the photo/video.
8. **Be considerate:** If you leave the class earlier and there is another class next door, please pass the room fast and as quiet as possible.

*If there is something we can do better please let us or our Welcoming Parent*

*Committee know.*
