

Pointe Schools Transportation Agreement

By signing below, I acknowledge and agree to the following terms and conditions regarding my child's use of the transportation services offered by Pointe Schools (Pointe):

I understand Pointe is not required to provide transportation for its students under Arizona law, but has chosen to provide limited transportation services for the convenience of its parents and students.

I understand I am solely responsible for the safety and behavior of my child before he/she is picked up by the bus driver in the morning and after he/she is dropped off by the bus driver in the afternoon. Pointe does not provide supervision for students before they get on the bus or after they are dropped off by the bus.

I understand Pointe requires that parents be waiting at the bus stop for the bus to arrive and it is my obligation to do so. I further understand that the bus driver has no obligation to, and will not, wait with a child beyond the scheduled drop-off time.

I understand if my child is not picked up from the school, Pointe will take action under the Pointe Schools' Pick-Up Policy (see student handbook) and my child may lose bus-riding privileges.

Although Pointe has taken precautions to prevent an interruption of bus services, I understand unavoidable interruptions may occur. In such an event, a representative from the bus company or Pointe will make reasonable efforts to contact parents with information.

I understand students are expected to conduct themselves in a respectful manner that does not impede the safety of the bus, the driver, and/or other passengers. Students are required to continue obeying school rules as well as the bus-specific rules listed below. Students may be required to sit in assigned seats. I understand I will be required to pay for any damages caused by my child. If my child does not follow the school bus rules it will result in disciplinary action in the sole discretion of Pointe and may result in a loss of bus-riding privileges.

School Bus Rules:

1. Follow all school rules.
2. Obey directions given by the bus driver.
3. Stay seated, facing the front of the bus with your feet on the floor.
5. Keep hands, feet and objects to yourself and inside the bus.
7. Keep the bus in good condition (clean and undamaged).
8. Report dangerous behavior/conditions immediately to bus driver and principal.

I understand Pointe is not responsible for lost or damaged personal property items brought onto the bus.

I understand all fees for transportation are non-refundable and all fees must be delivered to the Receptionist at my child's campus by the first school day of each month. Method of payment includes Debit or Credit Card (Visa or Mastercard) and cash.

Student Name

Fee: \$50.00 per month (Late fees may be added).

Non-payment may result in loss of bus privileges and/or collection/legal action.
