### **52. Sapori Ristorante**

1080 Bayside Drive, Newport Beach  
949-644-4220

Ask for a table on the patio, near the fireplace, surrounded by manicured greenery. And if that doesn't work out, the indoor dining room is just as charming. Either way, you'll want to order the linguine with clams and the off-menu veal chop, which pairs amazingly with a sexy Gattinara from Piemonte. This is one of the best Italian restaurants in Orange County.
