“Leading the Fight for Public Safety”

Hello Everyone! Welcome to the 37th Edition of our newsletter.

SPOTLIGHT:

Annual Police Memorial Service

The Fraternal Order of Police, Hopkinsville Lodge #12, will conduct the annual Police Memorial Service on Thursday, May 16th at 5:00 PM. The service will be held at Police Memorial Park on West 1st St between the Municipal Building and the Police Department. The service is open to the public. The inclement weather location will be the Criminal Justice Center on West 9th St across from the County Jail. This service usually runs 30-45 minutes. The Key Note speaker will be Kentucky State Senator Whitney Westerfield.

This service is to pay tribute to law enforcement officers who have made the ultimate sacrifice for our country and to voice our appreciation for all those who currently serve on the front lines of the battle against crime. And to give thanks and praise to the family members of our fallen Brothers and Sisters and of the family members of current law enforcement officers for the sacrifices they make on a daily basis. Please come and pay tribute to the **9** brave Officers who made the supreme sacrifice.

May 15th of each year is National Peace Officers Memorial Day and the week in which it falls is National Police Week. So, bring your family and friends, bring a lawn chair, and join us as we honor those who keep the peace and guard and protect our way of life.

SAFETY TIPS FROM COMMONWEALTH'S DETECTIVE KENNY OVER

Tips to help Prevent Medicine Abuse

Many medicines contained in your home are subject to abuse. Over-The-Counter ["OTC"] cough medicines are highly abused by children and teenagers. Many cough remedies (liquids, capsules, tablets, lozenges, etc) contain dextromethorphan (DXM) as the active ingredient, and is the most widely used cough suppressant, used in over 100 medicines. When overused or abused, it can produce dangerous side effects (nausea, vomiting, dizziness, drowsiness, abdominal pain, rapid heartbeat, slurred speech, impaired coordination, numbness, etc.)

- Keep all medicines in a safe place, out of reach of children and teenagers. It is recommended to keep all prescription medicines and OTC remedies with abuse potential in a separate locked cabinet or drawer. Be aware that if your children have playmates over or sleepovers, that whatever is in your medicine cabinet or bathroom is accessible to them.
- Safely dispose of unused or expired medicines. Prescription medicines have a finite shelf life and it is not a good idea to keep them around "just in case". Taking expired medicine is not effective and may in fact be bad for your health.
- Medicines can be disposed of at the local Police Dept., or if you can't take them there, crush the medicines, mix them with something unpleasant like kitty litter, place them in a plastic bag, and dispose of it in your trash. Do not flush medicines as it is bad for the environment. Always remove labels with personal information from prescription bottles before disposing of them.

GRAND JURY:

The March-April Grand Jury effectively and proficiently returned **124** "True Bill" Indictments, **0** "No True Bills," and there were **2** cases referred to District Court. As always, the Grand Jury was very dedicated, and we appreciate their service to our community. Their report is attached.

COURT PROCEEDINGS:

From March 1, 2013, through April 30, 2013, our office handled **83** arraignments, **74** probation revocation hearings, and **74** sentencing hearings.

GUILTY PLEAS/SENTENCINGS:

This section of our Newsletter includes a brief description of sentencing hearings that took place during the previous two-month period. While many consider "plea-bargains" as a negative way to resolve cases, defendants typically plead guilty to the same charges they are indicted for. When the defendant is sentenced following a guilty plea, they stand convicted of the charges just as if a jury had found them guilty. Therefore, the only thing they bargain away is their right to a jury trial and right to appeal. You will also see the jail-intake photos of these Defendants, when available.

Once the Commonwealth makes an offer and the Defendant enters a guilty plea, it is up to the Circuit Judge to determine if the Defendant will be probated or sentenced to prison. Another option that the judge has is one that must be agreed upon by the Defendant and by the Commonwealth – Pretrial Diversion.

Pretrial Diversion: Kentucky Revised Statutes allow for a person to be placed on a "Pretrial Diversion" under certain circumstances. 1) All charges which they are pleading guilty must be Class D felonies (1-5 years); 2) The person must enter a plea of guilty, or a plea pursuant to North Carolina v. Alford before becoming eligible for pretrial diversion; 3) Persons ineligible for probation, parole or conditional discharge under KRS 532.045 shall be ineligible; 4) a person convicted of a Class D felony for which early release is disallowed by statute including KRS 189A.010(8) and KRS 189A.120(2) [DUIs] shall be ineligible 5) No person shall be eligible for this program more than once in any five (5) year period. A person who is placed on diversion is considered a convicted felon during the period of their diversion and is subject to the same conditions as someone who is on felony probation. If someone completes that period of diversion/probation without any infractions or new charges, they can move the court to have their case dismissed/diverted, and they are no longer a convicted felon.
