

GRAND JURY REPORT

We, the members of the January-February 2011 Grand Jury would like to summarize our experience on the Christian County Grand Jury.

The experience of serving on this Grand Jury has helped us better understand how the legal process works. The Commonwealth's Attorney's Office was very helpful in explaining the procedures of the Grand Jury process and answering any questions about the process.

We would like to also compliment the Commonwealth Attorney Lynn Pryor and her staff on the excellent job they are doing with such large case loads that they experience.

We would also like to thank all of the police officers serving our city, county and state for their commitment to protecting others and making our community a safer place to live and raise our families.
