

## **GRAND JURY REPORT**

We, the members of the March-April 2007 Grand Jury would like to issue a report on our experience of serving on the Christian County Grand Jury.

The experience of serving on the Grand Jury helped us better understand how the legal process works. The Commonwealth's Attorneys Office was very helpful in explaining the procedures of the Grand Jury process and answering any questions about the process.

We would like to compliment Commonwealth's Attorney Lynn Pryor and her staff on the excellent job they are doing with the large case load.

We would also like to thank all of the police officers who risk their lives everyday who make our community a safer place to live and raise our families.
