

May-June 2015 Grand Jury Report

We, the members of the May-June 2015 Grand Jury would like to issue a report on our experiences of serving on the Christian County Grand Jury.

The experience of serving on the Grand Jury helped us better understand how the legal process works. The Commonwealth's Attorneys office was very helpful in the process and helping us as jurors make the best decision. They answered any question we had in full detail and also provided us with law books to better explain the charges.

We would like to compliment Commonwealth's Attorney Lynn Pryor and her staff on the excellent job they are doing with the large case loads they are given. Also, we would like to commend the Hopkinsville Christian County Drug and Violent Crimes Strike Force. We are glad the community has a program like this to help keep our streets safe, with what we have witnessed during our term they are really making a difference in our city.

We would also like to thank all of the police officers, city, state and county for risking their lives everyday to make our community a safer place to live, work, and raise our families.
