

GRAND JURY REPORT

MAY-JUNE 2017

The members of the Grand Jury would like to say it has been a privilege and an honor to serve our justice system. We all learned so much about how the system works on a day to day basis. We would also like to thank everyone who works so hard to make Christian County a better place.

Lynn Pryor and Tara Bozell did a great job and were very professional. Lynn took the time to make sure we all understood the charges and the penalties everyone was faced with. We all realize what a tough job they are faced with. All the officers were very clear and helpful explaining their cases and were happy to answer any questions we had.

I think we were all surprised at the number of meth related cases as well as all the drug related cases our community has.

We all feel the daily pay rate for jury duty should be increased.

We were all able to work together as a team to discuss and understand each case to come up with fair indictments. We feel every decision that was made was the correct one. It was definitely a team effort.

Thank you,
