

GRAND JURY REPORT

CHRISTIAN COUNTY, KY MARCH-APRIL 2018

The Grand Jury members would like to thank Judge Atkins and the law enforcement officers in the Hopkinsville and Oak Grove Police Departments, and the Christian County Sheriff's Department, and the Kentucky State Police for providing the thin blue line that keeps the criminal element of society at bay. In addition, we extend our appreciation to the Honorable Lynn Pryor for her advice and tireless research using the Kentucky Revised Statutes to help us understand the terminology of law and degree of charges. We also thank Tara and Maria for ensuring that all necessary paperwork was completed correctly.

Serving on the Grand Jury has been an educational and eye-opening experience for us, and we strongly encourage all who are called for jury duty to participate to the fullest extent. The number of crimes committed in our area was an unpleasant surprise. The overwhelming majority of these were perpetrated by individuals with long histories of lawlessness; therefore, we urge the parole boards across the state to carefully consider the consequences of releasing career criminals into society.

We appreciate this opportunity to serve our community by performing this term of Grand Jury duty.

Very Respectfully,

Foreperson
