

BAT SWAP PROGRAM

PREMIER SPORTS ACADEMY, 8706 PROGRESS WAY, WESTON WI 54476

Premier Sports Academy Event

Announced: March 14, 2017

1st Annual Bat Swap Program

This spring the Academy will be offering a place for you to sell your used bats. You set the price and we will show your bat off to anyone that is interested in buying a used bat. This is something to keep in mind especially with many of the league bat rules changing next year. This is a great way to get a "new" bat but save up for the bat you will have to buy in 2018.

Format

We will be collecting used bats for 2 weeks. When you bring your bat in, we will write down the price you want to sell your bat for and your contact information. We will make your bat available for 2 weeks to anyone looking for a bat. If your bat sells we will contact you and give you 70% of the money that your bat sells for. If it does not sell in the two week selling period you can pick your bat back up.

Schedule

- Bats will be collected March 15th until March 29th...**Extended to April 15th!!**
- Bats will be sold April 1st to April 15...**Extended to April 30th!!**

Example of Bat Sale

If a parent brings in a bat that they want to sell for \$100. The Academy will receive 30% if the bat is sold. The seller would then get \$70 if the bat sold. We do not haggle prices only sell the set price of the bat. If your bat does not sell you will receive your bat back. There is no cost if your bat does not sell.

Who: Anyone with an old bat

When: March 15th to April 30th

Where: Premier Sports Academy

Cost: 30% of the bat sale
