SCI re-instates all services Thursday, September 14th following Hurricane Irma

WHAT: Senior Citizens Inc. (SCI) will return to normal operations, providing meals to all Meals on Wheels and home-delivered meal clients, as well as in-home nursing/personal care services on Thursday, September 14.

All other SCI services provided in Chatham, Bryan, Liberty, and Effingham counties listed below will return to normal operations on Thursday, September 14 as well.

- Ruth Byck Adult Daytime Care Center in Savannah
- Liberty County Adult Daytime Care center in Hinesville
- Thunderbolt Neighborhood Center
- Liberty County Neighborhood Center in Hinesville
- Port Wentworth Neighborhood Center
- The Learning Center
- The Senior Companion Program
- Sterling Rides

Patti Lyons, President of Senior Citizens Inc. said, “We have been working hard to return to normal operations following Hurricane Irma because we know how much folks depend on our services. In addition to the nearly 1800 people depending on us for meals, there are many families who depend on us to provide care for their loved ones through our adult daytime care and in-home services so they can go to work. Our staff is contacting each of our clients today to ensure their safety and confirm services for tomorrow.”

For information regarding the resumption of services or to speak with a Care Navigator regarding new services, please call 912-236-0363.

ABOUT SENIOR CITIZENS, INC.

Senior Citizens Inc. (SCI) has been helping people age successfully in Coastal Georgia since 1959 through a variety of programs including Meals on Wheels, in-home nursing and personal assistance, adult daytime care, The Learning Center, SAGE Private Services and much more. Recognized as a national leader in providing services for older adults, SCI anticipates doubling its impact through the expansion of its facility and services with the completion of the Center for Successful Aging in 2018. To learn more about SCI, its services, and plans for expansion, please visit
