ESSEX COUNTRYSIDE

Located in north Chelmsford between Writtle and Broomfield, our sun terrace has stunning views across the Essex countryside, and the most magical sunsets, the ideal backdrop to your celebrations.

ROMANTIC & INTIMATE

Pig & Whistle is a 16th century English public house, lovingly transformed into an award winning romantic restaurant and licensed for weddings and civil ceremonies. Our traditional venue is intimate and cosy, a home away from home, and the ideal location to celebrate the union of two loved ones with close family and friends.

FABULOUS FOOD

Together with our chefs we'll create a special menu using locally sourced ingredients to create tempting fine canapés and unique buffets to suit your tastes.

Our selection of fine wines and champagne will compliment your food choices and our traditional bar serves gins, cocktails, beers and ales.

Proud to be awarded as most romantic restaurant
and for our customer service.
