

HOLLISTON PTO

2016 – 2017 HOLLISTON PTO MEMBERSHIP

The Holliston PTO depends on memberships and volunteers to help make all our programs possible. Membership not only funds Parent Education forums and qualifies families for PTO scholarships upon graduation, it also facilitates insurance for our hosted events and programs (like our Ski Program). Only Holliston PTO members are granted voting rights at general meetings, which include grant funding decisions, budget allocations and board member nomination approvals. There is no requisite volunteer commitment by joining – though we always welcome helping hands and new ideas!

We encourage you to join today!

You can go online to join – at www.HollistonPTO.org or you can return the below form to your child's teacher in an envelope labeled: Holliston PTO. A 2016-2017 Family membership is \$15.00.
