WORK EXPERIENCE

Editorial Photo Internship – Thrillist Media Group, New York, NY
September 8th to Present

Create original photographic content for Thrillist.com, working closely with Photo Editor. Assist staff photographer on set. Manage and update Cumulus DAM system as well as Thrillist's own CMS. Sourced images for articles from various stock outlets such as Getty, Shutterstock, and Flickr. Contact and schedule photo shoots with vendors across the United States.

Internship – Pamela Hanson Studios, New York, NY
March 17th to May 30th 2014

Assisted the Studio Manager and Archivist around the office with various tasks, particularly working on a large scale project of organizing, archiving and digitizing slides, negatives, and prints from the archive of photographer Pamela Hanson.

Internship – Quentin Bacon, New York, NY
June 3rd to Aug 2nd 2013

Acted as digital technician and assistant on various photo shoots, including lifestyle, food, and product photography. Assistant in Mr. Bacon's office working with clients and in Adobe Bridge to upload, back up, and organize files.

Lab Monitor – Ringling College of Art and Design, Photography and Imaging Department, Sarasota, FL August 2012 – May 2015

Responsibilities include assisting students inside the computer labs and photography studios with Mac computers, lighting equipment, Adobe Creative Suite programs, Canon printers, and darkroom and film processing practices.

ADDITIONAL SKILLS & INFORMATION

Experience in both studio and editorial environments, working with DAM and CMS systems online and with professional lighting and photographic equipment including Profoto and Capture One. Expert knowledge of Adobe Photoshop, Bridge, Lightroom, After Effects, Premier Pro, Final Cut Pro X for both photographic retouching and video editing. Organized and efficient in workflow and practiced in archival methods, with a passion to work as a part of a creative team to create the best product possible.
